Dear Marjatta,

I believe that the letters of acceptance from Loughborough
University in respect of Nonkululeko Woko and
Mosanku Maamoe have been sent directly to them.

This is to confirm that the Trust, in collaboration
with the Finnish Library Association, will be responsible
for their fees and maintenance for the duration of their
course of studies.

I trust that this will enable you to make immediate
application for their visas and to arrange for them to arrive
in England a week or so before the beginning of term.

With best wishes,

Yours sincerely
