talks and the cxaatiOn of a

In

In that spirit I urged Mr de Klerk t0 ensure that his  
government acts with urgency to remove the obanaales which  
are endangering pro\$pects for allwparty talks.  
particular, it must ensure that all political priaonera  
are released by the agreed date of 30 April. that the  
repressive Internal Seturity hot is repealed, that the  
police act impartially and that the violence is tackled

effectively.

Mr de Klerk said that he wanted to give me the facts about

Having heard his account I

the situation in South Africa.

remain convinced that it is still too early to lift  
economic sanctions.

important pressure for change to ensure that the Internal

Security Act together with the other obstacles to

negotiations and the pillars of apartheid are removed  
completely.

constitutional reform must clearly be taken before the

most important forms of pressure are removed, and I

believe that is well understood.

We are ready to see ~ indeed we want ~ Sanctions lifted,

but not until more progress has been made. .Thg onua 18\_0n

They

Mr de Klerk and his supporters to see that it is.

They therefore have the responsibility"

have the power.

Present economic sanctions are an

Then further major steps required
