MANAGEMENT COMMITTEE/MINUTES/9 MARCH 1992

All participants in CODESA should be mindful of their commitment to the Declaration of Intent. All participants understand that difficulties will inevitably arise, but the constructive way in which this matter was discussed. boded well for future meetings.

The MC supported and encouraged the tripartite meeting between the Ciskei Government, the ANC and the SA Government, to be held on Tuesday 10 February, and hoped that the parties will come to a constructive resolution of this problem.

CODESA\200\231s activities will, in the meantime, continue, but any participant is free to reopen this issue by calling for a special meeting of the MC, after the meeting of 10 February 1992.

The sentiments of the Ciskei, in terms of the alleged ANC actions, were noted by the meeting, but would be left to be resolved on a tripartite basis.

In the light of this meeting, all participants are urged to handle media statements in a manner which will not tarnish or hamper the CODESA process, but facilitate a constructive resolution of this problem.

The meeting adjourned for 15 minutes.

4.3

The issue of the media conference held by Ciskei and other parties during a short break was briefly discussed. It was noted that this has complicated the matter. The ANC indicated that they will have a media conference at 11H00. The Chair noted with regret the appeal before the break was ignored.

The meeting adjourned until 15H15.

4.4 An ANC statement was tabled and noted (addendum C). The ANC confirmed that, in the light of the tripartite meeting scheduled for 10 February, all activities in this regard were postponed.

5: Minutes of 24 February 1992

4.1 Ratification

The minutes were ratified with the following amendments:

4.1.1

4.1.2

4.1.3

The last words in item 2 ""another meeting" were substituted for ""to other matters".

In item 10 the initial should read "NJ" and not "MJ" .

In item 11 the date was changed to 9 March.

MANAGEMENT COMMITTEE/MINUTES/9 MARCH 1992

It was noted that the addenda referred to in the minutes had not been faxed with the minutes.

The secretary will attend to this issue.

7.4.2 The structure that is established to do this drafting will be set up by the MC in consultation with WG5. This structure would have to have legal and other skills required and should be constituted in a way in which the participants would be comfortable with.

7.4.3 With these guidelines in mind, the matter was referred back to the DMC, with the

MANAGEMENT COMMITTEE/MINUTES/9 MARCH 1992

mandate to implement the decision and report back. Any participating organisation who so wished, was invited to make representations to the DMC in this regard.

8. Broadening participation in the CODESA process

8.1 A progress report by the Secretariat was noted. This highlighted that six responses had so far been received after the questionnaire had been sent to applicants. Information from media coverage of applicants' activities in 1991 was also tabled. | It was noted that the Secretariat is proceeding with processing the information to facilitate the development of guidelines for broadening participation.

8.2 Women's participation in CODESA

8.2.1. The proposal received by the DMC about a representative body of women from all

19 participants to form an advisory and scrutinising committee was discussed.

8.2.2 It was agreed that participants should consult with their principals on this issue, for a decision to be taken at the next meeting of the MC.

8.2.3. It was also agreed to request the DMC to draft guidelines on:

- \* The status of the proposed subcommittee

- = The composition of this subcommittee

- \* The possible Terms of Reference for this subcommittee.

These should reach MC members in time to consult before the next MC meeting.

#### PRESS STATEMENT - WORKING GROUP III

At its seventh meeting held on 9 March 1992, Working Group III of CODESA held constructive and productive discussion on Transitional\Interim Arrangements.

After consultation with respective principals, agreement has been reached on certain general elements regarding interim arrangements which would facilitate the transition towards a new democratic constitution to which CODESA is committed. The agreement is per Appendix A.

This agreement provides a useful basis for constructive and meaningful discussions on further aspects of Transitional\Interim Arrangements.

Press reports suggesting that a comprehensive agreement had been reached are incorrect and misleading. The only elements agreed upon are those in the attached document. The following details, among others, are still to be discussed

ADDENDUM C

African National Congress  
Press Statement - The Ciskei Crisis

The ANC regrets the move by the Ciskei Government to bring a regional dispute to CODESA by suggesting that the Management Committee should suspend the proceedings at CODESA until such time that there is an unconditional undertaking from the Secretary General on behalf of the ANC that the campaign be withdrawn. This move is unhelpful given that the Ciskei Govt. is party to a bi-lateral meeting facilitated by the SA govt. that is due to take place tomorrow at 11:30 a.m. Arrangements for this meeting were known to the Ciskei govt. before this morning's

meeting.

We further express our disapproval that the Ciskei govt. raised the matter at CODESA this morning has chosen to go public whilst the Management Committee was in the midst of discussing the

issue.

All the steps are clearly calculated to sensationalise the issue and is contrary to the spirit of resolving matters through

negotiations and discussion.

From the moment this issue arose the ANC HQ has been involved in discussions with its region, the Ciskei administration and the South African government in order to find an effective solution. Our commitment to the negotiation process is unchallengeable. The issue is not what is alleged to be destabilisation of the Ciskei by the ANC. The fact of the matter is that there is no political freedom in the Ciskei. Efforts to even hold report-back meetings on progress at Codesa are frustrated by the continuous refusal to allow meetings to take place on the basis that such meetings constitute a threat to the security of Ciskei.

The ANC's attempts to meet the authorities in the Ciskei to address these serious problems have not been successful. Before the campaign as planned the ANC Border region requested a meeting with the Ciskei administration and this request was dismissed with contempt (copies of letters are available).

The campaign is aimed at ensuring a climate of free political activity in the area. We appeal to all those committed to the Codesa process not to allow this false hysteria to destabilise

Dear sir

We would like to request a meeting with your cabinet on 19 February 1992. This meeting would be to discuss the crisis in the Ciskei.

The meeting would be between yourselves and the Regional Executive Committee of the ANC led by our national president Comrade Nelson Mandela.

We apologise for the extremely short notice but due to Cde Mandela's tight schedule we would appreciate a response before the end of today. Cde Mandela has already set aside this day for a meeting with your government.

We would further like to suggest that the meeting takes place in Bisho at a venue of your convenience, commencing at 12H00.

Yours sincerely
