Dear Sir,

Africa Dim

We have cancelled your subscription to "Africa Diary" from the end of December 1990 as requested.

However, the publisher of this title has informed us that they did not receive our 1990 order placed on your behalf, although I would like to confirm that an order was definitely sent. Therefore, we believe the 1990 issues have not been supplied.

Please check your records confirm by return of post whether we should try and obtain the 1990 issues or should we cancel from 1989 and credit for the 1990 period.
