Resolution on M.K.

Draft

PREAMBLE

Noting that M.K. has played an important role in the last thirty years in bringing about the immense political victories we have scored and the political situation to its present level.

Noting that while we have suspended armed activities we however have not abandoned armed struggle.

And further noting that the agenda of the regime is to hold on to power by among other things destabilising the NLM by engineering or conniving at violence against the people.

And further noting that the regime deliberately misinterprets the clause on related activities in a manner that attempts to render the ANC impotent and our people defenceless

Therefore resolves:

1. That the ANC shall maintain and develop MK until the adoption of a democratic Constitution and the creation of a new defence force into which cadres of MK will be integrated. Until such a point is reached the equipment of the movement shall NOT be surrendered to the region.

2. MK shall remain in constant combat readiness.

3. The ANC accepts full responsibility for cadres charged in the execution of their duties in defence of the people.

4. The ANC shall establish structures of MK throughout the country at all levels including the establishment of offices and the provision of resources for such activities.

Further resolves:

that the role of MK in the present period shall be

1. To act in defence of peace and stability to guarantee the people's political victories by imparting the necessary skills.

2. To participate in the rebuilding and organisation of the ANC.

3. To act in defence of the personnel and property of the ANC.

Further resolves:

that MK should have a structured relationship at all levels of the organisation for the purpose of keeping a dynamic link with the political structures.

Finally resolves:

that the NEC shall take immediate responsibility for the maintenance, development and general welfare of all MK cadres, both inside and outside the country and that appropriate binding mechanisms be established to ensure this.

and

that the NEC shall take steps to ensure the marking of the 30th anniversary of MK throughout the country.
