Comrade Ruth Lompati
The Administrative Secretary
Secretary General's Office
LUSAKA

Dear Sis Rutk,

I would like to request the office of the Secretary General, through you to help Eie in getting ray son Temba Sobi to be with me here in Lusaka,

I am convinced that in the absence of Daphney, Temba will be better off with me here until such time as arrangements would be made that either he goes to join his mother or his mother join him here.

I would like to appeal for urgency in the matter because from reports reaching me it does seem that Temba's situation is very desperate.

Hoping to hear from you soon.

M A T L A!
