. Joseph & Snyman (Pty) LTD

Windhoek

The African National Congress Chancery in Windhoek presents its compliments to Mr. B. Jacobsz of Joseph & Snyman Pty) LTD and has the honour to request your company to rent only three offices - NO: 105, 106, and 107 from December 1992.

We would like further to state that offices NO: 104, 103 and 102 be rented to other party or anybody because since January 1992 we have not been using the three said offices and it was an unnecessary expenditure. Your efforts will be highly appreciated if your company can arrange the cease agreement to reflect the said request because it will drastically . reduce our monthly payment from December 1992.

The African National Congress Chancery in Windhoek takes this opportunity to renew to Mr. B. Jacobsz of Joseph & Snyman Pty) LTD the assurances of its highest consideration.
