

African National Congress

Office of the President

A MESSAGE OF CONDOLENCES FROM THE PRESIDENT OF THE  
AFRICAN NATIONAL CONGRESS, COMRADE OLIVER R. TAMBO,  
TO THE MLANGENI FAMILY ON THE OCCASION OF THE DEATH

OF COMRADE BHEKI MLANGENI

The tragic death of Bheki Mlangeni at the hands of an assassin will never be forgotten.  
we humbly request his wife, Seipati; his parents, Koos and Catherine as well as the rest of the Mlangeni family, to remain strong, for his death has not been in vain.

At this hour of need,

Our country has been robbed of a dynamic leader and a tireless young fighter against the evil system of apartheid. Despite political detentions and harassment at an early age, Bheki's contribution to the just cause of his people and the creation of a new South Africa has been tremendous.

Bheki will be remembered for his active role in exposing the assassination squads, the CCB and the clandestine operations at Vlakplaas, undeterred by the threats to his life. involvement in civic issues as an education officer for the Soweto Civic Association and his active role as an ANC Jabulani Branch Chairman will be greatly missed.

His

That his assassination should come during such momentous developments in the history of South Africa is a challenge to the African National Congress and the people of South Africa to pay the best tribute to this great son by winning our freedom now.

,  
To our departed comrade, we say Robala ka Khotso!!!
