

## Introduction:

AFRICAN NATIONAL CONGRESS

SOLOMON MAHLANGU FREEDOM COLLEGE

'Proposed Syllabus for Adult Functional Classes

"The National Programme must have a definite functional orientation on working as part of education so learning is necessary part of working and learning must become an integral part of working."

AIMS: \_M

1. To teach the adult illiterate functional - literacy - reading, writing and simple arithmetic. To instigate on change in his outlook leading to his social and economic development.

2. To teach the new-illiterate practical lessons in health, agriculture and community development, to effect a social and economic change in his standard of Living, ultimately raising the Standard of the whole community. .

5. To teach the adult new-literate the A. N. C. Freedom Charter and the civil rights, duties and responsibilities so that he becomes well-informed as regards the struggle for liberation of South Africa; change in man's attitude during and after liberation phase '

4. To aid the African National Congress development programme whose success depends on change in man's attitude as he becomes literate. ' ' '

5. Adults first and foremost need their life to be improved. This can be achieved through practical or functional education integrating reading, writing and arithmetic with instruction in economics, health, etc.

Classes - 1 82 8

(1) Proposed Syllabus for Adult Functional Literacy

1. Political Education: 7"
