GUEST SPEAKER

Mr Sakumzi Macozoma

Sakumzi (Saki) Macozoma was born in Port Elizabeth on 12" May 195178

He studied Political Science, Economics and Journalism at the Universities of South Africa and Boston in the United States of America.

After spending five years in prison on Robben Island he joined the South African Council of Churches. He also worked for the ANC and South African Breweries. He became a Member of Parliament in 1994 and left the Legislature to take up a position as Managing Director of Transnet Limited, a job he held for five years.

He is Chairman of Liberty, Chairman of Stanlib, Deputy Chairman of the Standard Bank Group, Non Executive Chairman of Safika Holdings and Chairman of the Council of Wits University.

Mr Macozoma is also President of Business Leadership South Africa, Chairman of the Presidents Big Business Working Group and Co-Chairman of the Business Trust.

The Graduation Ceremony

The graduation ceremony has a long history and is steeped in tradition. It dates back to the establishment of the first universities in Europe in the 12th century.

The Chancellor

The Chancellor is an office that goes back to Roman times: the original chancellor or cancellarius (as the office was known), regulated access to the Roman Tribune. In medieval times, the office became associated with the heads of writing departments of the early kings. Because so few people were literate, a chancellor was necessarily learned. This is why the heads and spokespersons of the early universities were also accorded this title. More recently the office has become largely symbolic and the executive head of a university is its Vice-Chancellor. One of the Chancellor's primary roles is to confer degrees at the graduation ceremonies.

Dr Zwelini Mkhize is the second Chancellor of the University of KwaZulu-Natal. His predecessor is Dr Frene Ginwala (2005-2009).

The Mace

The University of KwaZulu-Natal Mace was designed and executed by local sculptor Mr Zamokakhwe Gumede and is carved from an indigenous wood, Drakensberg bottlebrush (umBande), gathered from the artist's home near Bergville.

The head of the Mace is made up of three opened book-like forms, suggestive of scholarship but also of the massive landscape forms of our province, onto each of which is placed a ruler, a pen and a pencil. These refer respectively to the scientific and computational, the text-based and the creative sides to the University's work. Below this are an encircling set of heads, representing the diverse University community. The whole is surmounted by an alighting secretary bird (iNfunonono), an elegant and active bird found throughout the province and equally at home on land or in the air. At the foot of the Mace is a hoof-like shape, giving a sense of contact with the soil of Africa.

The carrying of the mace in procession symbolizes the University's status as a degree awarding institution.

Academic Dress

The wearing of gowns by judges, ministers, teachers and scholars is an ancient and significant custom. By wearing a gown when receiving their degrees and diplomas, the graduating student participates in this long tradition and joins hands with students past and present.

The hood conveys the most amount of information with the addition of braid or coloured linings differentiating the different qualifications. The colour of the band or hood lining represents the Faculty, each of which has its own colour.

Convocation

After being capped by the Chancellor, each graduate moves across the stage and hands the hood to the Robing officer who represents the Convocation of the University. The Robing officer pla

ces the
hood upon the graduate's shoulders and, in so doing, symbolizes acceptance into the
Convocation of
the University of KwaZulu-Natal, the statutory body which links graduates of the University
and
through which graduates have the opportunity to play a continuing role in the affairs of the
University.

The University Logo

The University Logo is a powerful visual symbol through which the University projects an image of excellence. In addition, it emphasises the University's standing and integrity within the province of KwaZulu-Natal and within the academic and business communities, at home and abroad and provides an identity around which internal stakeholders – staff and students – unite.

The African shield symbolises the protection of our most valuable assets, namely, education, culture and, by extension, African Scholarship. The globe with multi-coloured rays epitomises a rising sun, a new beginning and acts as a symbol of enlightenment.

Further, the globe represents the University as a global player, producing world-class graduates, while the multi-coloured rays embody diversity – race, culture, language – as well as social values. The book/wave/wings, which underscore the visual, represent the foundation of knowledge, the spirit of the eastern seaboard, and soaring to new heights.

The circular format of the Centenary Logo suggests unity and simulates a globe, representing UKZN as a world class university. The entire structure mirrors a coat of arms. Coats of arms are used to identify a community/family. The University is a community and a family within itself.

The University logo represents a University that is rooted in and responsive to Africa's unique qualities, challenges, diversities and strengths, while, at the same time, nurturing and protecting African Scholarship.

Celebrating 100 years of Academic Excellence

The University of KwaZulu-Natal (UKZN) will be celebrating 2010 as the centenary of academic excellence in the province of KwaZulu-Natal.

This marks the rich tapestry of varied history from the University College, Bechet College, Salisbury Island-University College, Medical School, Edgewood College, Pietermaritzburg, Howard College

and later the University of Durban-Westville.

In January 1910, the Natal University College in Pietermaritzburg was established with 57 students
and 49 men and 8 women operating from Maritzburg College.

Eight professors formed the staff of the College in 1910: Professors of Classics; Chemistry and
Physics; Botany and Geology; English and Philosophy; Pure and Applied Mathematics; Zoology;
Modern Languages and History; and Law. Undergraduates in 1910 paid R3.00 per month for
tuition.

UKZN celebrates 100 years of consolidation of academia and we are celebrating a history of mergers,
consolidations, reconfiguration and the present that we now enjoy as a university that
stands out as
one of South Africa's prominent universities and is one of three African universities
ranked amongst
the top 500 universities in the world.

GAUDEAMUS IGITUR

Gaudeamus igitur, juvenes dum sumus;
Gaudeamus igitur, juvenes dum sumus;
Post jucundam juventutem,
Post molestam senectutem,
Nos habebit humus, nos habebit humus.

Ubi sunt qui ante nos in mundo fuere?
Ubi sunt qui ante nos in mundo fuere?
Vadite ad superos, transite ad inferos,
Ubi jam fuere, ubi jam fuere.

Vita nostra brevis est, brevi finietur;
Vita nostra brevis est, brevi finietur;
Venit mors velociter, rapit nos atrociter,
Nemini parceretur, nemini parceretur.

Vivat Academia, vivant Professores,
Vivat Academia, vivant Professores,
Vivat membrum quodlibet,

Vivant membra quaelibet,

Semper sint in flore, semper sint in flore.
