Dear Comrade Barbara

Receive my revolutionary greetings in the year of Mass Action for a Democratic South Africa.

Cumradu, I heard from comrade Maud Many-si that you have a cassette featuring my song, entitled "BABA MANDELA", and it is sung by Amandla Group.

I would highly appreciate your sending me the cassette. We are also singing here in Maputo, if all goes well, we will give you more songs.

Comradely yours

Mg; .
