Could you please furnish me with Flint's particulars as I would like to have him here by the end of the week.

Secondly, the DIA has asked your department to write a letter stating that Flint is being deployed in Namibia (for obvious reasons) as per agreement between NAT and the DIA. This will enable the DIA to get a ticket for him.

When I discussed with Billy, he gave me an impression that he was not aware that Flint is supposed to join me. So, I did not raise the question of the letter as I'm made to believe that he is supposed to write the letter.

Please give this matter the urgency it deserves. I would like Flint to be here before Madiba arrives. Give him the takkies.

Regards

Super Moloji
ANC CHIEF REPRESENTATIVE.
