ANCSA MERCHANDISE

PO Box 881 London N7 8QW United Kingdom

Not coming to Zimbabwe under any umbrella. I expect to make my own arrangements re air fare and freight of my goods and I will have an independent income. Since I have sold my flat in London. However, as always, I am at the disposal of the movement for any work that is required of me there.

I would be very grateful for an early reply from you as I will have to do much winding up here and would not like to leave things to the last moment. Also, it would be much appreciated if you could advise me of the state of play regarding Spencer's position re working contract. He is naturally anxious for news.

Trust you are well and enjoying your work — Very much look forward to seeing you again — All good wishes

Comrade Rica Hodgson,

United Kingdom.

Dear Comrade Rica,

Your letter of 7/2/89 came to Harare whilst I was away in North Africa and later, Addis Ababa. I only return to my office on 27/2/89. Still I'm sorry for the delay in responding.

I am aware that Spencer is coming here and as to when I'm not sure, I will check with Jaya who might know something about it. But concerning your coming to Zimbabwe I am advising that you process it via the office of the Secretary-General, Lusaka. In By special H.Q rules I'm not allowed to bring anybody into Harare without clearing with the office of the S.G In Lusaka.

Warm regards.

Stanley Mabizela
Chief Representative.

Dear Comrade Stan,

Comrade Rica Hodgson

Correspondence between yourself and Cde Rica Hodgson concerning her intention to join Cdes *Chanda* and Spencer when they transfer to Zimbabwe has come to my attention.

I gather that from the viewpoint of the ANC as expressed by the Secretary-General, there is no objection to Cde Rica's request. The problem appears to be how she can legally enter Zimbabwe (as an immigrant?).

I have no experience in these matters and I expect you would know better. I do have a feeling that there would be considerable redtape if the question were to be tackled as a straight case of immigration. The best way out seems to me to be for Cde Rica to come under the "umbrella" of her children (*Chanda* and Spencer) as a dependant. I don't know whether this is possible and whether Cde Rica would approve such arrangement considering her independence. Questions of obtaining residence permits could probably be sorted out when she shall have arrived in Zimbabwe.

It would be interesting to know when Cde Spencer is expected in Zimbabwe and I trust by now you have some information from Cde Jaya?

Amandla!
