With PCF - NEW OFFICE

---

About the new office, we propose to ask J.B.CURIAL to help for furnitures : it will be for a 2 weeks duration :

- telecopier
- type machine (2)
- photocopier

And for the PCF, we propose to ask them to install 3 phones with 2 lines, to provide 2 comrades for security being there (being understood that the Ministry must itself provide 2 policemen for the protection of this ad-hoc office). PCF could also provide car with driver and guards.

WITH LAWYERS

---

Very quickly recontact Andrée FRANCISI and the UNION of Judges (Syndicat de la Magistrature) who could be helpful. From now on, the ANC has to accomplish all its proceedings with police and prefecture with a lawyer accompanying it. Ask the question of Louis Joinet to Francisi and the Union.

DISCUSS POSSIBILITY OF MEETING WITH MRS MITTERAND

- . If new office has to be suggested by CPF, leave to Joyce, Maïté and others close persons to arrange this with the party as they are best able to appreciate practical conditions.
- . Do not involve Joyce in dealings with police prefecture and justice as she is working with ANC, but is not a member of ANC and rather ALWAYS in this cases, have the presence of a lawyer accompanying ANC comrades to provide useful advice concerning police, legal and other authorities.
