**HONORARY GRADUAND
OF THE UNIVERSITY OF KWAZULU-NATAL**

Doctor of Education (*honoris causa*)

Professor Thamsanqa Wilkinson Kambule

Professor Thamsanqa Wilkinson Kambule dedicated his whole life to education and instilled in many generations of black students the skills of mathematics and the skills of life.

Professor Kambule qualified as a teacher in 1948 and served in a number of teaching posts, before being appointed Principal of Orlando High School in 1958. He resigned from teaching in sympathy with his pupils as a mark of protest against the system of Bantu education in the turbulent mid-1970s.

In 1978 Professor Kambule accepted a post at the University of the Witwatersrand, where he became a tutor in mathematics while continuing to help school pupils in Soweto. He collaborated with Professor Norman Ferrandi to produce a set of school mathematics textbooks specifically aimed at alleviating the problems encountered by ill-qualified teachers at black schools.

From 1988 until his retirement in 1996 at the age of 75, Professor Kambule served as Principal of Pace College and subsequently of ORT Step College of Technology in Midrand. An honorary lecturer at Wits, he also served on its Council. In 1996 he was awarded the Johannesburg College of Education Gold Medal in recognition of his distinguished contribution to education in mathematics. He has been recognised with seven honorary doctorates and numerous prestigious national awards.

Professor Kambule made immense contributions to the teaching of mathematics and to education in general. He believed in fighting for change on the education front, even at great personal cost to himself. His life and achievements serve as a model and a source of motivation for his commitment and dedication in promoting the education of others.

Professor Kambule passed away on 7 August 2009.

The University of KwaZulu-Natal honours Professor Kambule with the posthumous award of Doctor of Education *honoris causa* for distinguished contributions to the advancement of mathematics education.

The Graduation Ceremony

The graduation ceremony has a long history and is steeped in tradition. It dates back to the establishment of the first universities in Europe in the 12th century.

The Chancellor

“Chancellor” is an office that goes back to Roman times: the original chancellor or *cancellarius* (as the office was known), regulated access to the Roman Tribune. In medieval times, the office became associated with the heads of writing departments of the early kings. Because so few people were literate, a chancellor was necessarily learned. This is why the heads and spokespersons of the early universities were also accorded this title. More recently the office has become largely symbolic and the executive head of a university is its Vice-Chancellor. One of the Chancellor’s primary roles is to confer degrees at the graduation ceremonies.

Dr Zwelini Mkhize is the second Chancellor of the University of KwaZulu-Natal. His predecessor is Dr Frene Ginwala (2005-2009).

The Mace

The University of KwaZulu-Natal Mace was designed and executed by local sculptor Mr Zamokakhwe Gumede and is carved from an indigenous wood, Drakensberg bottlebrush (*umBande*), gathered from the artist’s home near Bergville.

The head of the Mace is made up of three opened book-like forms, suggestive of scholarship but also of the massive landscape forms of our province, onto each of which is placed a ruler, a pen and a pencil. These refer respectively to the scientific and computational, the text-based and the creative sides to the University’s work. Below this are an encircling set of heads, representing the diverse University community. The whole is surmounted by an alighting secretary bird (*iNtungunono*), an elegant and active bird found throughout the province and equally at home on land or in the air. At the foot of the Mace is a hoof-like shape, giving a sense of contact with the soil of Africa.

The carrying of the mace in procession symbolizes the University’s status as a degree awarding institution.

Academic Dress

The wearing of gowns by judges, ministers, teachers and scholars is an ancient and significant custom. By wearing a gown when receiving their degrees and diplomas, the graduating student participates in this long tradition and joins hands with students past and present.

The hood conveys the most amount of information with the addition of braid or coloured linings differentiating the different qualifications. The colour of the band or hood lining represents the Faculty, each of which has its own colour.

Convocation

After being capped by the Chancellor, each graduate moves across the stage and hands the hood to the Robing officer who represents the Convocation of the University. The Robing officer places the hood upon the graduate’s shoulders and, in so doing, symbolizes acceptance into the Convocation of the University of KwaZulu-Natal, the statutory body which links graduates of the University and through which graduates have the opportunity to play a continuing role in the affairs of the University.

The University Logo

The University Logo is a powerful visual symbol through which the University projects an image of excellence. In addition, it emphasises the University's standing and integrity within the province of KwaZulu-Natal and within the academic and business communities, at home and abroad and provides an identity around which internal stakeholders – staff and students – unite.

The African shield symbolises the protection of our most valuable assets, namely, education, culture and, by extension, African Scholarship. The globe with multi-coloured rays epitomises a rising sun, a new beginning and acts as a symbol of enlightenment.

Further, the globe represents the University as a global player, producing world-class graduates, while the multi-coloured rays embody diversity – race, culture, language – as well as social values. The book/wave/wings, which underscore the visual, represent the foundation of knowledge, the spirit of the eastern seaboard, and soaring to new heights.

The circular format of the Centenary Logo suggests unity and simulates a globe, representing UKZN as a world class university. The entire structure mirrors a coat of arms. Coats of arms are used to identify a community/family. The University is a community and 'family' within itself.

The University logo represents a University that is rooted in and responsive to Africa's unique qualities, challenges, diversities and strengths, while, at the same time, nurturing and protecting African Scholarship.

Celebrating 100 years of Academic Excellence

The University of KwaZulu-Natal (UKZN) will be celebrating 2010 as the centenary of academic excellence in the province of KwaZulu-Natal.

This marks the rich tapestry of varied history from the University College, Bechet College, Salisbury Island-University College, Medical School, Edgewood College, Pietermaritzburg, Howard College and later the University of Durban-Westville.

In January 1910, the Natal University College in Pietermaritzburg was established with 57 students – 49 men and 8 women operating from Maritzburg College.

Eight professors formed the staff of the College in 1910: Professors of Classics; Chemistry and Physics; Botany and Geology; English and Philosophy; Pure and Applied Mathematics; Zoology; Modern Languages and History; and Law. Undergraduates in 1910 paid R3.00 per month for tuition.

UKZN celebrates 100 years of consolidation of academia – we are celebrating a history of mergers, consolidations, reconfiguration and the present that we now enjoy – a university that stands out as one of South Africa's prominent universities and is one of three African universities ranked amongst the top 500 universities in the world.

UKZN Graduation Anthem: IHELE

GAUDEAMUS IGITUR

Gaudeamus igitur, juvenes dum sumus;
Gaudeamus igitur, juvenes dum sumus;
Post jucundam juventutem,
Post molestam senectutem,
Nos habebit humus, nos habebit humus.
Ubi sunt qui ante nos in mundo fuere?
Ubi sunt qui ante nos in mundo fuere?
Vadite ad superos, transite ad inferos,
Ubi jam fuere, ubi jam fuere.
Vita nostra brevis est, brevi finiatur;
Vita nostra brevis est, brevi finiatur;
Venit mors velociter, rapit nos atrociter,
Nemini parcetur, nemini parcetur.
Vivat Academia, vivant Professores,
Vivat Academia, vivant Professores,
Vivat membrum quodlibet,
Vivant membra quaelibet,
Semper sint in flore, semper sint in flore.
