Dear Renosi,

| spoke to Flip Smith. He is faxing the Negotiating Council advising them

He suggests that Prof. I. Rauthenbach should take place. | don't agree. if a Co-

I am off tomorrow to Cambridge, England. | will be back in Cape Tawn

Vice Chancellor

Dear Fiip,

I refer to our earlier discussions and telephone conversation this morning
apropos the resolution of the Negotiating Council of Sth August 1993

My interpretation of the Council's Resolution is that the two Co-chairmen
are authorised to formulate a programme of action and establish a task force
from the members of the Commission and
trying out the tasks specified in paragraphs 21, 22, 23 and 2.4
of the Resolution. On the basis of that understanding, I have prepared the
attached proposal,

Renosi could be asked to begin action before the meeting of the group
around 9th September,

Warm personal regards,

Yours ever,

[
