ALLOWANCE FOR LIBRARIANSHIP STUDENTS

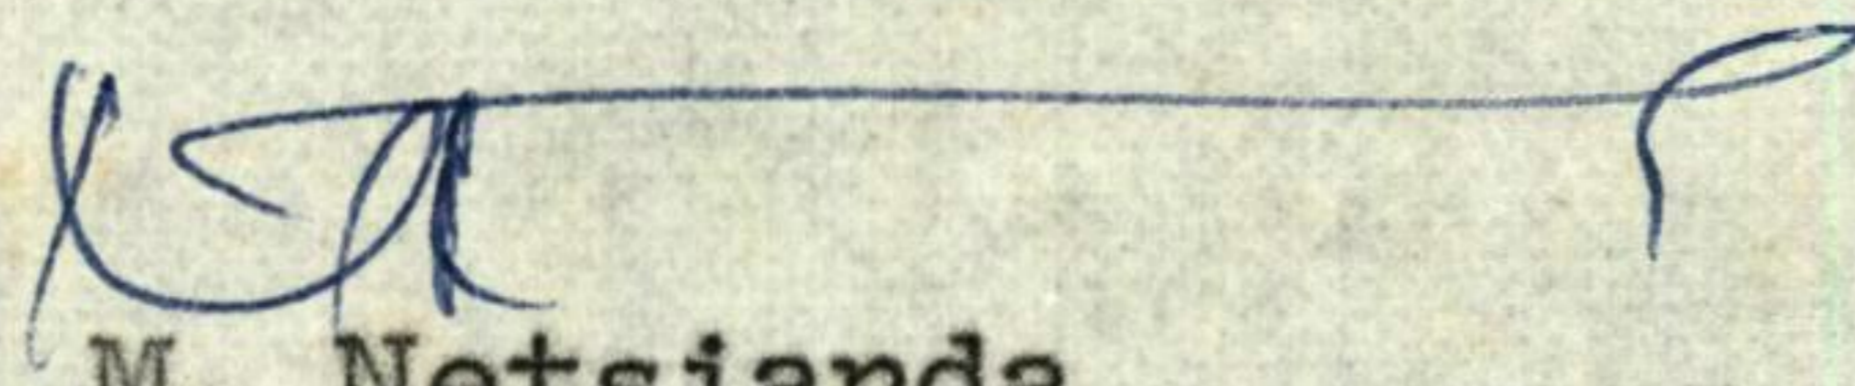

We refer to our letter to you dated 6/9/86 regarding the above matter. In that letter we advised that the stipends of the following students have been fixed at T.Shs 3 000/- a month:

1. Felicity Nxumalo
2. Mandisa Ngxale
3. Peggy Deyi
4. Mantombi Sadike
5. Robert Mthembu

We would like confirmation if this is still the amount being paid to the students, for their sponsors, APHEDA, will NOT pay any amount above Shs 3 000/- a month. This applies to all the five students without exception.

We look forward to hearing from you soon.

This is effective from August 1, 1986. Please make the necessary adjustments and inform those concerned accordingly.

SCHOLARSHIP FOR LIBRARIAN STUDENTS

We learnt unofficially from the Treasury in Dar es Salaam that funds for the library students donated by APHEDA have now been exhausted.

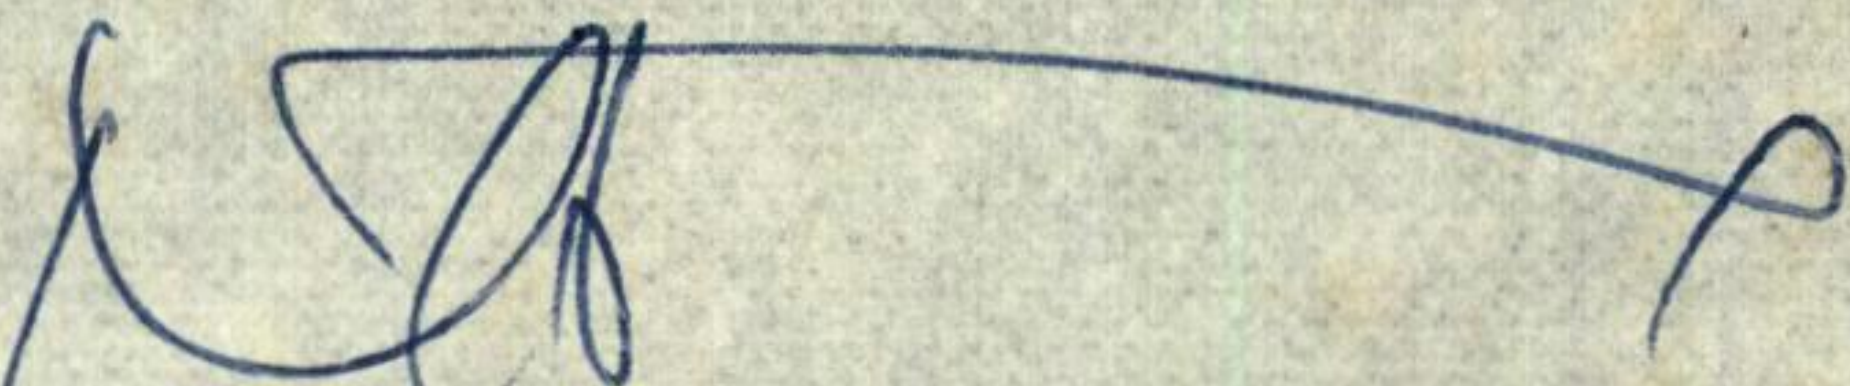

We also got to learn that our instructions(our memos to you dated 6/9/86 and 26/12/86) that monthly personal allowance is fixed T.Shs 3 000/-. Furthermore, we also had been under the impression that board and lodging was T.Shs 200/- a day per ~~two~~ students.

APHEDA's budget was as follows(excluding tuition and other fees payable to the Tanzania Library Services)

- i) Board and lodging per day for 6 students 600/-  
(Michael Malobane withdrew in October 1986)
- ii) Monthly personal allowance 3 000/-

Obviously, it is necessary that we are able to give the sponsors plausible explanation as to how funds were utilised. We would therefore appreciate it if you could provide us with detailed data regarding the two items(i.e. board and lodging, and monthly allowance) of the cost of fees.
