EVELUTIONAHEPORT'OF THE GENERAL MEETING HELD ON THE 20th MARCH 1229 TO DISCUSS OUR ZONAL MIMICAL TEAM

Introductibn

The meeting started as scheduled at 119hoo. All members of Central and Hospital Administration occupied the rostrum to deliver the tweereports and respond to the public-concerns, quiriies and comments.

pr on the agenda was the receht case of death that obviously involves clear negligence on the part of same clinicepersonnel.

Attendance

Although the hall was full, the majority came from the E.O.C. . In our informal assessment 2 people lacked confidence that the Central AHministration could come out with concrete solution to the pending medical' departmental problem. Also Present within the general participants were three members of the Regional Health Committee, namely, Nomonde, Meisie and Gloria - probably invited by zonal heath members.

Facts

Several people stood and expressed 7 their bitterness and discontents about individual medical maltreatment/mishandle.

. The measures outlined tfor administration report were welcomed with quiriies that they were incomplete and an example of Ode Mamsie Badebe was cited as also fitting for for suspension.

. A point was raised on the medical report, on what was the role of the administration durix this lone endin problem was an issue to be accounted for.

)g b P

. Affectew members of the medical team were most vocal during the meeting especially Thabo who charged the co-ordinator personally for conspiring with hi8 "friendsP LU like Khaya in Mazimhu and come to impose decisions in Dakawa .

. Of most importance people expressed anxiety on the vacuum to be left as the personnel would be affected. Tis concern was generated by comments of the Regional Health Committee members who divorced themselves or rather expressed reservations that they were not informed about the problem discussed.
