Dear Cde Thomas,

I would like to inform you that we have begun work on the laboratory blocks, and are making good progress on the foundations. It is now necessary that arrangements be made for the funds to be released. As you are well aware, our financial position is serious, and we require these funds urgently if construction is to continue.

Dear Comrade Thomas,

In my letter of November 9, 1981, I raised the matter of a holiday to the GDR for the Hodgson family (Spencer, Claudia and Tanya). You agreed in a subsequent conversation that it would be possible to arrange this.

Since then I have spoken to the Hodgsons and they have expressed a wish to leave for their holiday at the beginning of June. Could you please arrange the tickets for that time?
