Dear Comrade,

RE: DVS'S ANNUAL SEMINAR IN ARUSHA

We hereby formally invite a speaker from ANC to tell our volunteers about recent events in South Africa. It will be on March the first in the afternoon for around 1-2 hours.

We would like to insist that the speaker is either M. Tikly or A. Manghezi, whom we know very well in our organization - and whom we trust both have the openness to talk freely about these important issues among the friends. But since we know, that both of them are very busy we leave it to you to decide on who will be available.

We shall refund transport costs and secure accommodation at Danish Volunteer Training Centre in Usa-River, near Arusha.

Please revert as soon as possible.

Comradely Yours,

y N Wk 0 t
