Dear Comrade Stan,

When I was transferred to Zimbabwe I left my child, Pinkie in my sister's care in Mazimbu. That is Nompumelelo who is married to Bizzah Ragel Mokoena.

She has just written to me to say that she and her husband are being sent to school for further studies in England.

In this regard I request you to assist me to get my child and of my sister to come and live with me in Harare. They are both very young, and I want to take care of them. Their schooling is already arranged. My sisters child is Nobuhle Vuyiswa Yedwa.

Yours in the year of United Action for Peoples Power.

Dear Comrade Stan

Re: Comrade Mumsey Yedwa's Child.

I acknowledge receipt of your letter dated 23rd May, 1988, concerning the above comrade.

In view of the circumstances detailed in your letter and comrade Mumsey Yedwa's, I have no objection to her child joining her in Harare and I am by copy of this letter informing the Chief Administrator of Mazimbu. Please liaise with Cde Maseko regarding travel arrangements for the child.

As regards the Mokoena child, I suggest that a separate application should be made by the parents.

In the Year of United Action for People's Power!
