Dear Sir/Madam:

CONFERENCE ON "TRANSNATIONAL CORPORATIONS AND DEVELOPING COUNTRIES"

MARCH 23 - 25TH 1977 - MASERU

It gives me great pleasure to extend to your organisation and to you (or your representatives) an invitation to attend this conference. The primary aim of the conference is to promote understanding between the decision makers in developing countries and businessmen, particularly those employed by Transnational Corporations.

The conference will bring together top level Company Executives, Government Officials and Authorities from Institutions concerned with Development. It is envisaged that participants will benefit from both the formal presentations and the panel discussion groups, in which we anticipate a frank and open exchange of views and experiences.

More details about the conference are enclosed together with a registration form which should be returned on or before March 16, 1977.

We look forward to meeting you in March.

Yours faithfully,

K. T. J. RAKHETLA
MINISTER OF COMMERCE, INDUSTRY, GEOLOGY, MINES AND TOURISM AND
VICE-CHAIRMAN OF THE LESOTHO NATIONAL DEVELOPMENT CORPORATION.
