Dear Mrs Sarr

Thank you for your fax of 3-11-1993 asking for particulars relating to my travel together with Lindi Sisulu to the 20th Anniversary Celebration of CODESRIA.

Allow me first to apologise for addressing in my previous fax the Executive Secretary as a woman. His name Thandika is very close to Thandeka the name of the woman in my language. I was subsequently corrected by Moeletsi who laughed at the mistake.

I have been advised by Oriole Travel Agency that a flight that would see us at Dakar by the 28th November would leave South Africa around about 25 or 26 stopping at a number of capitals, before getting to Dakar. The only convenient one is a SA Aiwvays which departs from Jan Smuts Airport in Johannesburg at 11:00 on 29.11.1993, via Abidjan and arrives in Dakar about 23:00 (11:00pm) sameday. I've asked Oriole Travel Agency to book us on the flight - business class and to leave the return journey open. My flight on the 28.11.1993 to Johannesburg departs from Port Elizabeth at 12:40 and Lindi's from East London at about 16:15.

Please instruct Oriole Travel Agency to issue my ticket at the Port Elizabeth Airport and Lindi's at the East London Airport not later than 25.11.1993, their telephone no. is 011 8386541.

Yours sincerely
