Mr. T. Kotsoe,  
Projects Officer,  
African National Congress,  
Private Bag Mazimbu,  
P.O. Morogoro, Tanzania.

Dear Mr. Kotsoe:

First, I apologize for the long delay in replying to your letter of June 17th, which came in on the 17th of July. I was waiting to hear from your headquarters in Lusaka details as indicated in your letter concerning the purchase of a vehicle. The money in our budget is \$10,000 Canadian (not U.S.), and while it was earmarked for Dakawa, you may divert it to the Project Department if you so wish, and apparently in consultation with others, that has been decided. We don't have any purchasing department, so you would need to do the purchasing yourself and tell us where to send the money. I realize that it's probably not sufficient for the purchase of any new vehicle outside the country, so that may present some problem to you and you may have to supplement it from somewhere else.

Regarding the issue I raised in the letter of matching grants which we received from CIDA for the Poultry Extension Project, since there is no further news of this project in your letter, we are returning this money to CIDA.

Sincerely,

Jim Kirkwood,  
Africa Office.
