Dear Cd. Barney,

Ref: General Job Descriptions.

Comrade Tikly asked me before he left for Europe, to remind you about your promise for general job descriptions and specifically for those of Volunteers in the Agricultural Department and for their Counterparts.

Marius Sakeen says he spoke to you on this matter when you were here and has since written about it. These are now urgently needed and I would ask you to please do your utmost to let us have them as soon as possible.

In the Year of the Cadre,

Mohammed Tikly  
Director.
