Comrades,

Find enclosed a copy of a financial statement plus a receipt of the money from Zapu comrades.

In the receipt they have stated how it must be given back to them

I hope you have received the financial statement I sent last wee with Peter Boroku.

Pressently we have ~~XXXX~~ 158 people including those who are passing .

I could not get the exact number of the people on transit as the comrade who has the figure was not available at the time.

Yours in the year of the Charter

AMANDLA
