Dear Cde Nkokheli,

RE: Amandla Master Tapes.

I enclose for your files : - (1) copy of the letter to the Director of Mezhdunarodnaya Kinga;
(11) letter to the Director which I request you to deliver.

As you will note, we actually require a legal document spelling out ANC rights and obligations, as well as those of the Mezhd. Once we have the clear stipulations in writings, then we can convey them to prospective sponsors and interested parties in request.

Further, you will note that the confusion arises out of individuals informal negotiations, whereas these matters should have been handled formally by our department. We will be grateful if this matter is finalised as it has been very costly in terms of the Australian tour. They did not have any records to sell at all and potential funds were lost. It is good to hear from you and we hope we will remain in dynamic contact. I will write again and send you some videos with someone travelling that way.

Forward to the Year of United Action for People's Power!

Barbara Masekela
Secretary for Arts and Culture.
