re: Readjustment of monthly incentives
Jane Dumasi, Agnes Nahara and Dudu Litch

The following comrades Agnes Nahara, Dudu Litch and Jane Dumasi had been inadvertently put at 360/- whereas they should have been at 480/- grade.

Could you, therefore, adjust their backlog of 8 months (April - November, i.e. $120/- \times 8 = 960/-$) for each one of them.

For this month their incentives have been rectified to 480/-.
