Comrade Doodies Gaboo,

SOMAFCO,

Private Bag Mazimbu,

MOROGORO,

Tanzania.

Dear comrade Doodies ,

We have a possibility of obtaining sponsorship for students studying in SOMAFCO on a scholarship basis. However the sponsors would like to know the break-down of the cost of sponsoring one student to study in SOMAFCO.

i

What this involves is the cost of Tuition, Books, Clothes, Accommodation etc for each student there. In this way they can tell how much money should be allocated to the students they sponsor.

Could you then please work out this break-down and send it to us at HQ by 18th May since this has to be with them latest end of this month.

Hoping for your quick response.

Anandla! Maetla!

E. Funde,

Head - Youth Secretariat.
