The Honourable H.Y. Mwale, M.P.,
Minister of Works and Supply,
Lusaka.

Dear Comrade Minister,

Enclosed herewith are photostat copies of correspondence concerning the problem of accommodation for Mrs G. September who works at the Central Veterinary Research Institute, Balmoral, as part of the FAO/UNDP Animal Diseases Control project. Mrs September is married to one of our senior comrades, Reg. September.

For a short while they have the use of a "leave" house but thereafter there is nothing in sight.

In the circumstances I am sure you will recognise the urgency of their plight and I sincerely hope that you will be able to be of assistance. I sincerely hope to

Thanking you,
