

Swazi

SEX and sin have been
given the thumbs down
treatment in Swaziland in
a vice squad' crack-down
-that police in the area: de-
scribe as routine.

In a pre-dawn raid: this

month, a South-African -

stripper, performing at
The Why Not night-club
near Mbabane was ordered
by vice-squad = police to

stop her act, because it
was publicly indecent.

The stripper, who said:

she preferred not to be.
named, had removed all

T

nipple caps and G-string,
when the police arrived.

. According to police in
the area, the stripper ap-
peared in court and her li-

cense to perform in the-

country has been suspend-
ed. s I :

An unofficial 8pm cur-
few on: unaccompanied

girls: has been introduced

in nearby Manzini as part
of the drive to stamp out

" vice and prostitution.

- The inside-by-eight
deadline has apparently

been enforced, by vice

squad detectives after a

ck-down on

BREAD-AND-BUTTER IMPROVEMENTS WANTED

Changes come too
late â\200\224 Blac < edlto

Daily News Reporter
BLACK people in South Africa wanted change at

â\200\230Tiiiï¬\201ï¬\201onl to the status |

the â\200\234bread-and-butterâ\200\235 economic level, Mr Obed
Kunene, editor of Ilanga, said in Durban yesterday.

Speaking on Change in
Present-day South Africa
— a Black Viewpoint at a
meeting of Women for
Peaceful Change Now, Mr
Kunene said there had
been changes in South
Africa in recent years. But
at best they were a little
late and at worst they
were â\200\234nothing but a
cosmetic job.â\200\235 ,

He said that â\200\230many
changes which had taken
place. were dismissed b
multinationals as being of li

no consequence as

they failed to deal with
hard-core
problems of black develop-
ment and aspirations. < '
â\200\234For the

bread and butter issues.

basically mean the oppor-
tunity to earn enough mo-
ney to

of yourself your

believed. â\200\230
â\200\234In other words, it |

able to take care
, make

family, to be able to feed |
and clothe yourself and |

your family, to pay the
rent for the house you live
in or buy a piece of land
to call your own.

It also means the
freedom to choose where
you may wish to live or
work, rather than the cir-
cumscribed existence we
lead, governed by orders,

* stipulations and edicts tell-

ing us where we may live,
work, eat, play

must in- desire to be

more a human
being instead of a sub-

human or cold statistic to
be manipulated at will

said

Mr Kunene added that
many - black people
believed that whites would
adjustments and

or be |

only in those areas
considered by them to be
safest and least likely. to
upset the applecart of
white privilege and com-
fort. :

Mr Kunene said he had

lot of sympathy and un-
derstanding for organisa- |
tions such as Women for
Peaceful Change Now.
