Mr. Yusuf Saloojee, Chief
Representative in Canada
African National Congress
292A Danforth Ave.
Toronto, Ontario M4K 1N2

Dear Mr. Saloojee:

Thank you for consenting to be the speaker at our Amnesty Educational
Forum on Sunday, February 19, 1989, at 1:00 p.m. in our church.

The church is located at 175 St. Clair Avenue West, just west of Avenue
Road. The Forum will be in Shaw Hall, but I'll meet you in the lobby of
the church.

As I mentioned in our phone conversation, we would like you to talk about
the work and impact of the African National Congress - how it has affected
the apartheid system in South Africa, how it has sensitized other countries
around the world, and how it can be assisted by other countries.

The address should be about 20 minutes long, after which we would like you
to answer questions from the audience. I know that you may not be able
to attend, but will send another representative of ANC in that case.

We'll be having a light lunch at 1:00, to which you are invited.

As you know, our group's recently assigned prisoner of conscience is Yasmin
"Jessie" Duarte of Johannesburg, who is under house arrest. You may have
some suggestions regarding our strategies to have the arrest lifted.

We feel very honoured that you (or another ANC representative) have consented
to address our Forum, and we look forward to meeting and hearing you.

Yours sincerely,

Janet Campbell
