Invitation

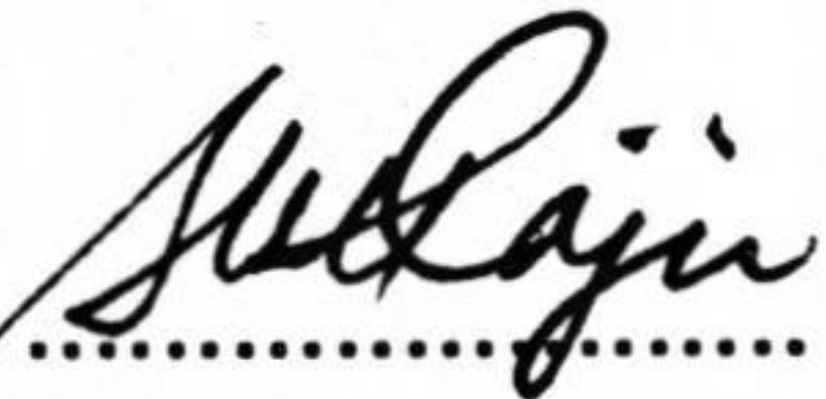

**To:** ANC Repatriation Committee; DMD; DOE; ANC Social Welfare  
Department; Special Projects; MHQ; AEPP; Projects Dept.; OTG.

**Re.** Workshop to discuss skills training and jobs for exiles and ex-  
political prisoners.

1. The OTG is very concerned about the large number of our comrades returning from exile or released from prisons that need to be catered for.
2. Operating within certain financial constraints it would be impossible for the OTG to provide allowances for all these comrades.
3. Many departments and structures of the ANC are grappling with the problem of finding work and/or training and education for these comrades.
4. The OTG feels strongly that a Workshop be convened to discuss needs, concrete solutions that could be embarked upon, and the establishment of coordinating mechanisms to expedite finding solutions to this extremely pressing problem.

You are hereby invited to attend an **urgent** Workshop on **Tuesday 11th June, 1991, in the meeting room on the 21st floor, 51 Plein Street, from 9 a.m to 4 p.m.** Please consider this Workshop as extremely important.
