Dear cde Aaron,

The video tapes have arrived at the customs.

It is noted it is a gift, but according to Norwegian Customs/Tax Regulations, you can only receive a gift valued less than NOK 500,- without paying extra tax. With no invoice following the tapes, the customs will put a price on the items and recorded tapes have the value of NOK 200,- each.

We therefore request a pro forma invoice on an amount less than NOK 500,-.
