EDITOR'S LETTER.

September 1st, 1946.

My dear Girls, Past and Present,

We are approaching the end of a year that will always be remembered as an important one in the history of Wykeham School, for, on February 1st, 1946, it ceased to be a private concern and acquired the status of a Public School under a Board of Trustees—a dignified status, more appropriate to a school, now well known throughout South Africa for forty years of progressive education. The change has of course entailed considerable financial outlay, and none of us who wish to see Wykeham still in the forefront of the New Education Movement, which is after all the best guarantee of World Peace to come, want the School's efforts crippled by heavy bonds. The response from the Old Girls and Friends of the School to the Trust Fund Appeal, to date in cash £3,745 3s. 7d., has cheered us all tremendously. not only because of the money that has flowed in, but as a proof of how real your affection for Wykeham is, and how readily you co-operate with one another in a good cause, both inside and outside the school. It means that there exists that intangible bond between you, of the same spiritual quality, if in a lesser degree, as binds together the units of the British Empire, that precious pattern, to our anxious and chaotic world, of a League of Nations that really works, because fundamental in it are ideals of love and loyalty and not merely considerations of economics and self-interest.

Wykeham is indeed fortunate to have acquired a Board of Trustees such as ours—all busy men of wide interests. Our Chairman, Mr. A. T. Allison, has, for many years past, proved himself a firm friend and wise counsellor. His outstanding financial ability and knowledge will be a great strength to us, for the next few years, until the Bond is paid off and the necessary building plans completed, cannot fail to be an uphill battle. We have also on the Board two of Natal's outstanding educationalists—Mr. S. W. Pape, ex-Headmaster of Maritzburg College, and Mr. K. M. Pennington, Vice-Principal of Michaelhouse. Senator P. H. Taylor, who has been Mayor of Maritzburg, Member of the Provincial Council, and Member of the Senate of the Union

Parliament, and Rev. C. P. Jeudwine, Vicar of St. Peter's, Maritzburg, also bring to the Board wisdom and experience in the business and educational worlds.

We have three of our outstanding Old Girls also as Trustees, Rose-Ella Waring, who, with her sisters, has done so much to get the Trust Fund going, Jane Fincken, distinguished for her War Work in Serbia during World War I, and one of our few South African Sculptors, though of late farming has again become her main preoccupation, and Lorna Hime, beloved Vice-President of the Old Girl's Association, always to be found to the fore if there is any particularly difficult or burdensome task to be done in or out of the School. We have a good hope that, setting out under the aegis of this Board of Trustees, the School may look forward to a long life of usefulness to the Community.

We all regretted that neither Mr. J. O. Smythe nor Mr. Justice Broome, our former Trustees, could sit on the new Board, but since they, as Administrators of the Estate of Miss R. M. Hodges, had to do the handing over of the School to the new authority, the Wykeham School Society, that in the nature of things was impossible.

And before I leave the subject of the Trustees and Wykeham's new status, I should like to record my gratitude to Mr. A. Austen Smith, who helped me frame the Draft Constitution of the Wykeham School Society and acted as our legal advisor throughout the period the Board was working upon it. He gave us his time and advice gratis, although he was then himself extremely

busy.

This year has been a year of change. The one that occurs immediately to the mind is Miss Abbott-Smith's departure from Wykeham after 33 years' service. She will be very much missed. Our best wishes go with her to England where she has gone to be nearer her sister at Wantage.

I am writing this letter from Windsor where I am enjoying more than I can say, after 8½ years, living again in the home of my childhood with my Mother and Sisters, and I am most grateful to Miss Price and Miss Burns for making this leave possible for me.

I obtained a Priority Passage on the understanding that I should be doing educational work in England. On the invitation of the Nursery School Association of Great Britain, I have been speaking at their Summer Schools at Roehampton and St. Andrews, putting before the teachers gathered there our need for trained Nursery School Superintendents from England to help in our South African Nursery Schools, since we ourselves are unable to train enough for the work.

Field-Marshal Smuts, speaking in August at Pretoria said that South Africa was in great need of the right kind of European immigrant and that the Government must revise its policy to attract such into the Union. I certainly hope there will be a good response from overseas, with such great problems as ours to cope with, we need as many men and women of good will as we can get to take up the White Man's burden in South Africa. At the moment I am in the midst of a course at St. Gabriel's College, Camberwell, on the teaching of handicapped children, and am learning much of the new developments in Educational Psychology, which are bearing such good fruit in the Child Guidance Clinics all over the world today. For this course I am going up to London from home every day again, as I did when at College. I always enjoyed it and take the opportunity after lectures of visiting the old familiar haunts and exploring fresh woods and pastures new. What a terrible time these busy, cheerful, patient people of London must have had during the various blitzes. You cannot go far in any direction without passing a gap in the long line of houses, where one has been sliced out by a small bomb, or the corner house torn away by blast. They are demolishing the brick and reinforced concrete air-raid shelters all over London now, though the big auxiliary water tanks for fire-fighting still stand on the sites of many demolished houses. In the heart of London there are great bare patches of land where block-busters, land-mines, rocket bombs or flying bombs have completely cleared areas as big as the site of Winchester House and garden.

I pass each morning, going to St. Gabriel's, a big area, where the houses have just been erased. There the workmen are putting up prefabs guaranteed to last ten years. They look like big square-shaped, asbestos-

sheeting, boxes with glazed windows inlet, and a chimney like a button on the top. A little further up the road on the edge of the blasted area, they are repairing the walls, ceilings, doors and windows of some brick houses shaken and cracked by the concussion, but not destroyed. It is surprising to see how tough bricks and mortar have proved in these blitzes.

Well, paper is still on ration, so I must not take up more room with personal reminiscences, but before closing I must thank Leila Beater, Lorna Hime and Sheilagh Burchell for taking over all responsibility for the magazine in my absence.

May I wish you all another happy and successtul year.

With much love,  
Yours affectionately,

BDEORISEESMEFEOR!

MISS ABBOTT-SMITH.

After thirty-three years of unselfish and loyal service in the interest of Wykeham, Miss Mabel Abbott-Smith has retired. and thus severed another link with the School's early days.

She was a member of the Staff under both Miss Moore and Miss Hodges, and her unfailing enthusiasm for Wykeham's welfare and progress, and her co-operation with Miss Mellor over many years of ups and downs have done much to place the School where it stands today.

Miss Abbott-Smith left for England on the Winchester Castle in August, and will make her home in the Old Country.

The same warm-hearted welcome that "Abby" has always had for all her friends. awaits those who may be fortunate enough to visit her. Old Girls, in fact Wykehamites one and all-can count on a specially affectionate greeting and misdeeds of the past will definitely be forgiven and forgotten!

We assure "Abby" of our affectionate interest in all that concerns her, and wish her continued good health and all the rich blessings of happiness and well-being.

## HOCKEY AND NETBALL.

The hockey this season has been very disappointing, the 1st XI only winning one of their matches, However, the teams probably gained more experience through losing the matches than they would otherwise have done. We have many young members in the teams and we hope that the experience that they have gained this season will enable them to be more successful next season. Our thanks are due to Miss Long, Miss Taylor, Miss Beatson and Mr. Bousfield for their most helpful coaching and advice. !

- The Inter-House Hockey matches were played on August 29 and September 2 and 9. Mackenzie won the Saville Cup from Green and Moore.

## SWIMMING.

Even though there was so little training done last season, owing to epidemics which prevented us from attending the baths, the swimming of the school has regained its former good standard this season. This was mainly due to the untiring efforts of Miss Long, Miss Beater and Miss Taylor. Now that Mr. Pearce has been released from the Army, and is once more Bath Superintendent, we can expect still greater results, as he has maintained his keen interest in Wykeham's swimming.

We started the season by coming fourth in the Leonard Line'Life Saving Competition. Fortunately we were able to see some excellent exhibition swimming at the Salute to Britain Gala, in which our team, M. Missing and E. Symes gained places. At the Seals Entertainment Gala, M. Missing, E. Symes and P. Cooper gained places.

Moyra Missing brought great honour to the school when she represented the Transvaal at the South African Championships, in which she gained third place in the Women's 200 Yards Breast Stroke. Moyra also swam for the Natal Schools team in Bloemfontein, coming first in the 100 Yards Breast Stroke.

The Inter-House Gala was held at the Open Air Baths on 12th March. Green House came first for the fourth successive year, with 81 points, Mackenzie 2nd with 58 points and Moore 3rd with 33 points. Rosemary Rodda won both the Earle and Shoolbred Cups for the second year in succession. Mrs. Earle kindly presented the cups and expressed her enjoyment of the day. Five records were broken during the gala.

At the Inter-Schools Gala, held on 22nd March, the Juniors won the Shield with 26 points; Longmarket Street came second with 194 points. The Under 14 team won the Garnett Cup and Moyra Missing won the McCullough Cup for Plain Diving.

The results were as follows:

Under 14, 50 yards Crawl: 1, M. Missing; 2, E.

Symes.

Age 12, 25 yards Breast Stroke: 3, J. Ade.

Under 14, 25 yards Back Stroke: 1, M. Missing.

Age 12, 25 yards Crawl: 2. J. Ade.

Under 14, Plain Diving: 1, M. Missing; 2, E. Le

Sueur,

Under 14, 50 yards Breast Stroke: 1, M. Missing.

Under 12, 25 yards Back Stroke: 2, V. Pendock,

The Seniors came third with 13 points. Girls's High School came first with 33 points, St. John's second with 17 points.

The results were as follows:

14 and 15 years, 50 yards Back Stroke: 2, P. Cooper.

16 years and over, 50 yards Crawl: 2, R. Rodda.

16 years and over, 50 yards Breast Stroke: 1, R.

Rodda.

16 years and over, 50 yards Back Stroke: 3, R. Rodda. '

Open, 100 yards, Johnson Cup: 3, R. Rodda.

Open team race: 2, Wykeham.

M. Missing and E. Symes were chosen to swim for Maritzburg Juniors against Durban, and R. Rodda swam for Maritzburg Seniors. The Maritzburg teams won both races.

During the season there were 2 First Class Honours, 20 First Class, 24 Second Class, and 22 Third Class Certificates gained by the girls.

Colours were awarded to R. Rodda, M. Missing

and E. Symes.

#### GYMNASTICS, 1946.

Miss Loug, our sportsmistress, arrived from England during October last year, and has since been working diligently with the co-operation of the girls.

The Inter-House Gymnastic competition will be held on the 21st October, and a display will be given by a selected team on the 2nd November, in aid of the Wykeham Trust Fund.

Gymnastic colours were awarded to B. Talmage and P. Anderson.

The Gym. pictures were won by:

Form IVa and IVb in December, 1945.

Form Va and IVa in April, 1946.

Form VIa and b Commercial and IVa in July, 1946.

Forms Vb and IVa in September, 1946.

The deportment in the School is very creditable,

there being ten deportment girdles.

S. ANDERSON,

SHOOTING.

The standard of shooting this year has been quite good, although there are only a few girls learning.

It was a pity that no Imperial Challenge Shield competition was held this year, as we could have easily equalled our last year's standard.

We had a most enjoyable picnic at Shelter Falls during the second quarter. Miss Lowe, who took Mrs. Thomas' place as shooting mistress, and Miss Long, took us.

Unfortunately, Rosemary Ade, one of our best shots, who has won the â\200\234Becker Cupâ\200\235 for two years running, has left us, but it is hoped that some more girls will learn shooting, as our numbers are rather low.

Thanks to Mr. Loney and Miss Towe, the high standard of our shooting has been maintained during the past year.

BETTY TALMAGE,  
Shooting Member.

BROWNIES.

We have quite a large Brownie pack now, numbering about twenty. They have nearly all managed to get their uniforms and looked very smart when they attended the Service held on the 22nd September at the Y.W.C.A. Hall.

Last quarter a number of Brownies attended a Guide Fancy Dress Parade. Unfortunately some of them could not go on account of the chickenpox epidemic.

Two new members were enrolled a little while ago and we welcome them to our pack and hope that many more will follow their example.

Miss Elsmore is the Brown Owl and with her help and that of Aileen Friar our pack is flourishing. I sincerely hope that the Brownies will continue to be as enthusiastic in the future as they are at present.

O BETTY JELE-TAYLOR.

PRAYER TO OUR LADY.

O Mary, Mother of our Lord,  
Thou with thy cloak of blue,

Thou with thy pearly rosary,

O Mary give me grace to see  
How I may follow you.

O Mary, Mother of our Lord,  
The stars shine in thy hair,

The little children to thee cry,

O Mary see with loving eye,  
And hear my soft-said prayer.

O make me humble, holv, true,  
That I may serve thy Son,

That I may do what He would do,

(Mother of God, o hear me too)  
Until my life is done.

THE WIND.

The wind tore along the sky road at a terrific speed.  
He was due to cause some damage in a certain city at  
one o'clock.

He was not really unkind, it was just because some-  
body had said he would blow very badly that he was  
going there. Usually he was very helpful. He would  
help sailing ships on their way to other countries, and  
blow the seeds of flowers to new places.

Suddenly he saw the town. He picked out the tallest

building, and whirled round and round it, till he reached the ground floor, where he whipped round the corner and blew the hats of twenty people who were standing in a bus queue.

He stood behind a corner waiting for somebody to come along. He heard the sound of high-heeled shoes clapping along the pavement. Cautiously he peeped round and then blew gently. The smart young lady, with her hair piled high upon her head, grabbed frantically at the tiny little hat that was perched on the top-most curl, and succeeded in pulling her hair down over her face.

Gradually the wind worked from one end of the town to the other. He was just turning to go back, when he saw a merry band of young boys and girls entering an old dilapidated house standing out on the moor. He blew up to it and saw that the door was slightly open. e blew gently. Cre-e-ck. It slowly opened. The startled young band stared. He slipped over to the window and blew. It burst open with a crash. The girls screamed. Pleased with his success he went up to the top of the house, and moaned dolefully down the chimney,

Shrieks and footsteps told him that they had had enough.

To finish the day he went back to the city and blew down a few old shacks.

NIGHT.

Deep night, and peari splashed skies of royal blue,  
Up on the wall against its colour stand

Two grecian jars of melancholy hue,

But touched with beauty by the cold moonâ\200\231s hand,  
For gold above an arc of stars she hung

A crescent moon, above another star

Completed her attendants round her strung,  
Great shining worlds to deck her from afar;  
And as I gazed my soul in fancy fled

To ancient Greece wherein, beside the wall,

A shepherd lad, dream-eyed, near flocks he led,  
Piped plaintively to stars hung over all,

A haunting tune that echoed o'er the hills,  
Which melody of Pan my memory fills.

Our warm thanks go out to those who have already contributed, and we are relying in the goodwill and co-operation of ALL our Old Girls to bring our total up to expectations, for our burden is heavy, and as yet we are not free from anxiety.

STAMPS.

To all Girlsâ\200\224Past and Present,

You will probably remember Mr. Somervilleâ\200\231s brief

chat to you on the subject of stamps, and the object behind this.

He now suggests that we organise our collections through scholars, friends, and business houses. We have been moderately successful so far, and are most anxious to see the Wykeham Trust Fund growing, and he is prepared to do all in his power to help us.

Stamps must be so trimmed as to give the minimum amount of paperâ\200\224about 1-16th of an inch from the perforations, for if the stamp or perforations are damaged the specimen is useless, and for this reason we have already been forced to discard many. Please remember this.

If heavily smudged or dirty through slurred post marks, these too will be rejected.

Will all friends of the School send us their used postage stamps, Â¢/o. Wykehamâ\200\224Victories and War issues, 13d., 3d., 4d., 6d. and 1s., Swaziland and other Native Territories, Rhodesians, Tanganyika, etc,

MINUTES of the 38th Annual General Meeting of the Wykeham Old Girls's Association, held at Wykeham School on Sunday, April 28, 1946, at 10 a.m. Present. Miss Abboit-Smith was in the Chair, and all present signed the Minute Book. Apologies. Apologies for absence were received from the President, Miss D. Mellor, and many Old Girls, who regretted that they were unable to be present, but had sent good wishes for the Week-end. (Miss Mellor was unable to attend the meeting as she was in Johannesburg on urgent business.) The Minutes of the last Annual General Meeting, published in the 1945 Magazine, were taken as read and confirmed.

Business arising out of the Minutes:

1. Old Girls Dance. It was the wish of the majority of those present to hold the Annual Old Girls Dance this year. The last dance, held in September, 1942, at the Ansonia Hotel, had not been a success financially. After a great deal of discussion, it was finally decided that the Executive Committee should appoint a Dance Secretary, who would be willing to undertake full responsibility for arranging the dance. If no Old Girl would undertake this responsibility then the dance would not be held as the Hon. Secretary and Treasurer advised that she would not be able to cope with the additional work. It was suggested that in view of the present food shortage, the management of the hotel, where the dance was being held, might allow the Old Girls to provide the supper and thus help to reduce expenses.

2. School Present. The total amount collected towards the School Present during the year ended March, 1946, was £13 15s. 6d., and this sum was being transferred to the Trust Fund, in accordance with the wishes of the last Annual General Meeting in April, 1945. The Secretary advised that the amount received so far for the new year was £3. It was unanimously decided that all contributions should again be put into the Trust Fund, as that Fund should prove of the greatest benefit to the School. :

3. Bursary. The Bursary had fallen vacant in December, 1944, so the Bursary Committee, following cut the recommendation of the Annual General Meeting in April, 1945, awarded the Bursary (£20 per annum) to

Mrs. Bessie Carter to go towards the schooling of her youngest daughter at Wykeham. This action was approved and unanimously carried.

Financial Statement. The Secretary then presented the Balance Sheet, which showed an Excess of Revenue over Expenditure of £32 12s. 5d. The adoption of the Balance Sheet and Financial Statement was moved by Mrs. S. Cockburn and seconded by Miss L. Beater. The Secretary drew attention to the high cost of printing the Magazine and additional expenses connected with the Trust Fund campaign. Previously when there had been an excess of Revenue over Expenditure, 20% of it was voted to the Trust Fund, but Miss L. Hime proposed, seconded by Miss M. Graham, that in order to keep the Association financially stable, no percentage should be paid over this year, as funds in hand were lower and the cost of printing the Magazine was likely to be heavy again. This was carried and the Balance Sheet and Statement were handed round for perusal.

President's Report. In the President's absence, Miss C. Price, Acting Principal of Wykeham School, read the President's Report, which dealt with the following subjects:

1. Wykeham Trust Fund. On the 6th September, 1945, at a Special General Meeting, the Constitution of the Wykeham School Society was passed and a Board of Trustees was elected, consisting of

Mr. A. T. Allison, Rev. G. P. Jeudwine, Mrs. R. I. S. R. V. A. O. V. [ S. K. R. S. D. e. nington. Mrs. J. Fincken, Mr. P. H. Taylor, Miss L. M. Hime, Miss D. E. Mellor, Honorary Secretary.

On December 20 and 21. documents were signed arranging for the transfer of the School to the new Board of Trustees as from the 31st January, 1946. The Chairman of the Board was Mr. A. T. Allison, who had already proved an invaluable leader. He had collected a lot of money for the Fund and had secured a loan of £10,000 from the Municipality. Mrs. S. Cockburn proposed and Miss L. Hime seconded, that the Secretary should write a special letter of thanks to Mr. Allison for his inspiring example. An amount of £2,000 had already been paid out from the Fund, leaving a balance of £542 12s. 9d. in the Fund to date. Miss L. Hime had held a highly successful Jumble Sale, which had resulted in £60 for the

Fund. Outstanding as a contribution lately was Mr. Justice Broome's donation of £315 (money owing to him as a former Trustee) in memory of his daughter, Sonia. a former Head Girl of the School. The President stressed the urgency of raising funds to pay off the loan of £10,000 as soon as possible. Any suggestions of how to raise funds would be welcomed.

2. Executive Committee. The meetings had been most harmonious and there were four new members:

Leila Beater had replaced Maureen Rutherford.

Beth Behrmann had replaced Sheldine Gafney.

Thelma Merrick had replaced Greta Wood.

Sheilagh Burchell had replaced Sheila Cockburn.

The confirmation of these appointments was carried unanimously. On the resignation of Maureen Rutherford, the former Secretary-Treasurer, the Executive Committee had appointed Penelope Kershaw to carry on these duties. Miss J. MacNeillie then proposed, seconded by Mrs. M. Calder, that the Committee be re-elected en bloc. The Secretary notified her intention of resigning in the near future and it was decided that the Executive Committee should try and find someone to understudy her.

3. Magazine. The President thanked Mrs. Toria Jepson and Miss L. Beater, who had undertaken the sub-editing of the Old Girls' News Section and the School Section in the 1945 edition of the Magazine respectively. Special thanks were due to Miss L. Hime and Miss V. Cope, who had made themselves responsible for the Wykeham Old Girls' addresses, which had made a very welcome reappearance. In view of the Editor's proposed trip overseas, Miss L. Beater kindly offered to edit the Magazine and Mrs. S. Burchell volunteered to do the Old Girls' News Section.

4. Old Girls' Sale. The Sale had been a most successful affair and an amount of £92 0s. 5d. clear profit, had been realised. Miss L. Hime proposed and Mrs. O. Harris seconded, that £61 4s. 6d. should be donated to the Trust Fund. This amount plus the £13 15s. 6d. School Present money would make a total contribution of £75 towards the Trust Fund. Discussion arose as to whether any money should be given to local charities, but it was agreed that as £10,000 was still required to repay the Municipality Loan, the Trust Fund was the more pressing cause,

5. Loss of Miss M. Abbott-Smith.â\200\224In concluding her Report, the President took the opportunity of wishing Miss M. Abbott-Smith, the Associationâ\200\231s first Vice-President, â\200\234goodbye and God speed.â\200\235 After 33 years at Wykeham, Miss Abbott-Smith was leaving in June, 1946, and planned to visit her sister in England. Tribute was paid to her loyal and untiring service to the School.

Mrs. O. Harris proposed and Miss J. MacNeillie seconded, that the Presidentâ\200\231s Report be adopted.

Life Membership Subscriptionâ\200\224A suggestion had been put forward as to whether the Life Membership Subscription of £5 5s. 0d. could be paid in instalments instead of in a lump sum. After some discussion, it was decided that this method would not prove practicable and the meeting upheld the old arrangement of paying the money down in a lump sum.

Upkeep of Graves.â\200\224In the past, an Old Girl, Mrs. Horton, had attended to Miss Mary Moore's grave in the Greytown Cemetery, and had seen that flowers were placed there over the Birthday Week-end. Unfortunately, Mrs. Horton had now left the district. The Greytown Corporation had been approached, but advised that they were unable to undertake the work. Miss L. Hime proposed and Miss M. Graham seconded, that either one of the following Old Girls living in the district be asked to assist in this matterâ\200\224Mrs. Joan Slatter or Miss Gladys Boast. The Sisters at the Holy Cross Convent, Irene, always looked after Miss Ruth Hodge's grave, and kindly placed flowers on it for us during the Birthday Week-end.

Wykeham â\200\234Old Boys.â\200\235â\200\224Mrs. J. Fincken proposed and Mrs. M. Calder seconded, that all the native boys at Wykeham should receive a present of Tobacco over the Birthday Week-end as a token of appreciation for their services. Many of the â\200\234Boysâ\200\235 had been at the School a great many years and deserved to be remembered in the Birthday Celebrations. It was unanimously agreed that this was to be a permanent feature of all future celebrations. A collection was made amongst those present and the Secretary was requested to buy 17 packets of â\200\234Mine Captainâ\200\231 Tobacco and distribute them amongst the â\200\234Boys." :

Wykehamâ\200\231s War Effort.â\200\224Mrs. J. Fincken wanted to know what contribution Wykeham as a whole had made towards the War Effort. Vice-President, Miss M. Abbott-Smith, advised that the total sum was unknown,

but that it could be obtained from information contained in the School Diary.

Old Girls's Lunch. Miss M. Abbott-Smith reminded Old Girls that they were invited to lunch at Wykeham or the first Tuesday of the month. It was hoped that more Old Girls would avail themselves of this opportunity of meeting one another.

Borrowed Crockery. Miss M. Abbott-Smith proposed and Miss O. Harte seconded, that a donation of 5/- should be given to St. Peter's Guild by the Old Girls' Association in appreciation for the crockery borrowed for the Refreshment Stall at the Sale.

Match: W.O.G.'s versus Present Girls. Mrs. J. Fincken suggested that it was time the old custom of the Old Girls challenging the Present Girls to a game of tennis, hockey or even cricket, was revived. In the past this match had always been part of the Birthday Celebrations. It was decided to bear this in mind next year.

Change of Address. A special appeal was made to the Old Girls to notify the Secretary of any change in - their addresses.
