Dear Comrade,

Thank you for your fax of 22.10.90.

We shall book your ticket for the 4th of January 1991
for the simple reason that we are having this occasion on
the 6th of January not 8th January as we could only
get the Norwegian Theatre for the 6th and not the 8th.

I am sorry for all the mistakes in this letter. I am
typing this from a machine I do not understand at
our Umtata office.

We have noted that you will be coming with Comrade Essop
and you will be booked from Port Elizabeth.

Yours in the struggle

Oslo; 15 January 1991

. Dear Helene and Anton,

You are for us staunch and invaluable friends. Your endeavours to bring about peaceful change to an equitable, social and political order that is acceptable to all South Africans, black and white are highly appreciated.

We wish you in 1991 the strength and determination to continue your courageous and active efforts, and we hope to rid South Africa from the yoke of apartheid to usher an atmosphere free from violence that will in turn open the challenging stage of preparing a new constitution, based upon the universal principle of one person one vote.

Your presence at our 79th anniversary at Den Norske Opera was clear evidence of your dedicated and savoury support for the ANC. We thank you very much for coming. We also thank you for the Christmas flowers.

In the Year of Mass Action for the Transfer of Power to the People!
