Dear Comrade President,

As you may remember, the Friedrich Ebert Foundation publishes at irregular intervals brochures on a variety of topics - political and economic - of international interest.

Today, I have the pleasure of sending you its latest publication

"Iran and the Gulf War"

which is a report on a roundtable with prominent experts on the subject, held in November 1984 in Bonn. Although perhaps not quite up-to-date since more than 20 months have passed already, I do hope, however, that you may find this booklet interesting reading.

Should you wish to receive some of the earlier publications, please do let me know.

With very best regards,

Yours F.C. Brunke
