This means I rucksacks and 4 chessclocks were taken.
Some toys and second hand handbags" were put in the box
probably to cover up the theft.

They were also in plastic bag
COMMENT
As with the first container it seems only ANC peeple handled
the consignment.lt will be difficult to hold chess matches
without the clocks and lack of rucksacks has held up the
formation of a hiking and climbing club.We must make every .
effort to track down theSe items. Thefts undermine all we
are trying to build here.
