MME ORATE SOWETO DAY

1661 51-01 Ludv 7pm! rflqaam/swtpv A115) :moqd

RALLY: Tuesday, June 16 (4 - 6 pm)

at the Federal Building

(Broadway and Worth Streets)

On June 16, 1976, South African police in Soweto killed hundreds of black children who were peacefully protesting the

imposition of Afrikaans as the language of instruction in their schools.

Today violence sponsored by the regime continues to be a growing obstacle to democracy in South Africa. Since March

1, more than 700 black South Africans-including children-have been killed. Security forces have trained death squads

continue to terrorize black communities and take part in the killings. Pretoria, in its current budget, has allocated more

than \$1.5 billion for covert operations and special forces.

The Bush administration has supported Pretoria by lifting federal sanctions and condoned the killings by its silence. It

has given \$2.5 million of our tax dollars to Inkatha, a major force in the violence. The time has come to stop violence

and racism-from the United States to South Africa!

STOP THE VIOLENCE!

KEEP THE PRESSURE ON!

LET THE PEOPLE GOVERN!
