Dear Comrade Khaya

### Re: Regional Youth Committee Programme

In line with one of the resolutions adopted in the ANC National Consultative Conference of 1985 and the 2nd National Youth Conference, that of popularising the ANC as the sole representative of our oppressed but fighting people, the RYC has adopted the following programme. The copy of the programme is attached to this letter.

As you know that the success of this programme depend on the support that your department is going to give to us, it is for this reason that I am appealing to you to consider our request.

We hope to arrange ~~xx~~ a meeting with you so that we can discuss this programme and see how best can it be fulfilled without using a lot of money.

I hope our request will receive your favourable consideration.

Thanking you in Advance

Yours,

P. T.O
