Dear Ms. Rankoe,

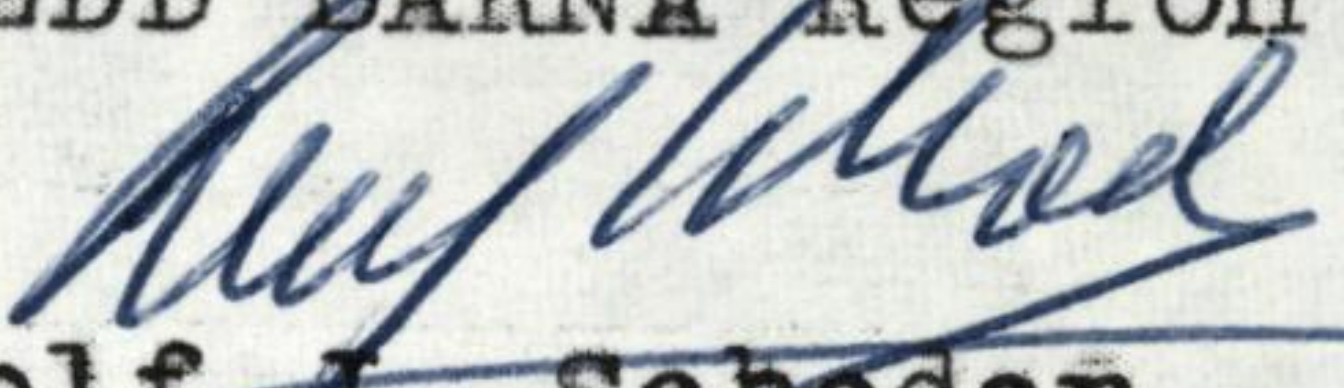

We permit ourselves to refer to your letter dated 5th April 1990 in which you assured us that we would be informed as soon as you would hear or receive from your office in Harare the letter to the sponsors from Ntabi's mother, Ntabi's 1988 December report and Ntabi's photo. We are anxiously waiting for your reply.

It might be of interest to you to know that we have been in touch yesterday with the African Students Union in Bergen who are preparing an ANC celebration at the end of July.

We are looking forward to your early reply.

With kindest regards,

Yours sincerely,
REDD BARNA Region West
