Dear Comrade Nzo,

I learnt from Hintsa that my son is in Dar es Salaam and that he will be going to pay tribute to his mother's and grandmother's graves. I thank the ANC for that.

I have not seen Thamie for a very long time, he was a small boy when I left him in Moscow, I would like him here this coming July. I have arranged for him an English course at Santa Monica College near where we live. He will spend two quarters there doing English and Spanish which are official languages here in California.

I asked Comrade Maindy to get him a scholarship to study medicine here in the USA and he referred me to HQ. I thus kindly apply for a scholarship for Thamie to do medicine in the US.

Thank you.

Yours in the struggle.

Amanda!
