RE-MARRIAGE APPLICATION

Dear Cde S.G.

I hereby ask for permission to get married with comrade Francinah Mathema. We have both discussed this and we came to an agreement that we should get married.

We have been in love since 1977 and late in 1979 she gave birth to our child who is with her in Dar es salaam. We are both of us working under Cde Jacqueline. At the present moment I am 23 years old and she is 20.

We assure you that our marriage won't interfere with our noble ideal that of liberating our Motherland. We pledge ourselves that we will never let the organisation down at any cost.

Please accept our assurance.

AMANDLA

Yours in the struggle
