Re: Mrs. L.B, Mvusi

Dear Sir/Madam,

This is to confirm that the above-mentioned has applied through WUS(U.K.) for a scholarship to undertake University Diploma in education in the U.K. She is presently employed as a teacher at Mukai High School in Harare.

On behalf of the ANC Education Committee (Zimbabwe), I wish to recommend Mrs.Mvusi and support her application to WUS (U.K.).

I have no doubt that upon completion of her proposed studies, she would be better able to make a positive contribution to the work of the ANC within her field of specialisation. All assistance rendered to her would therefore be much appreciated.

Yours Sincerely

R. Mazimba

Chief Representative.

- Mrs.Mvusi.
