Dear Denis

THE LOTHIAN EUROPEAN LECTURES 1994

I am writing to thank you very much indeed for agreeing to contribute to this year's Lothian European Lectures by offering a 'Vote of Thanks' to one of the series' most distinguished contributors.

Lothian Regional Council is always anxious to ensure that the Lectures are appropriately presented and, particularly, that speakers are fully aware of the wide appreciation for their participation. As you may know from the response to the lecture programmes in the past, there is a very high level of interest on the part of the general public, and we are always grateful to have the support of people from the wider community to offer a few words of thanks on behalf of the audience, as well as the Regional Council.

I am attaching the details of date, time, venue and the title of the lecture and I will ask

my office to send you a lecture summary of the text when available. Please do not hesitate to contact my office if you require any further information or wish to clarify any aspect of your participation.

I do hope that you will be able to join me for dinner after the lecture at the Regional Chambers, Parliament Square, and thank you again for agreeing to help us in this way.

Yours sincerely
