Dear Madam

RE: JIMMY MOTSOENYANE

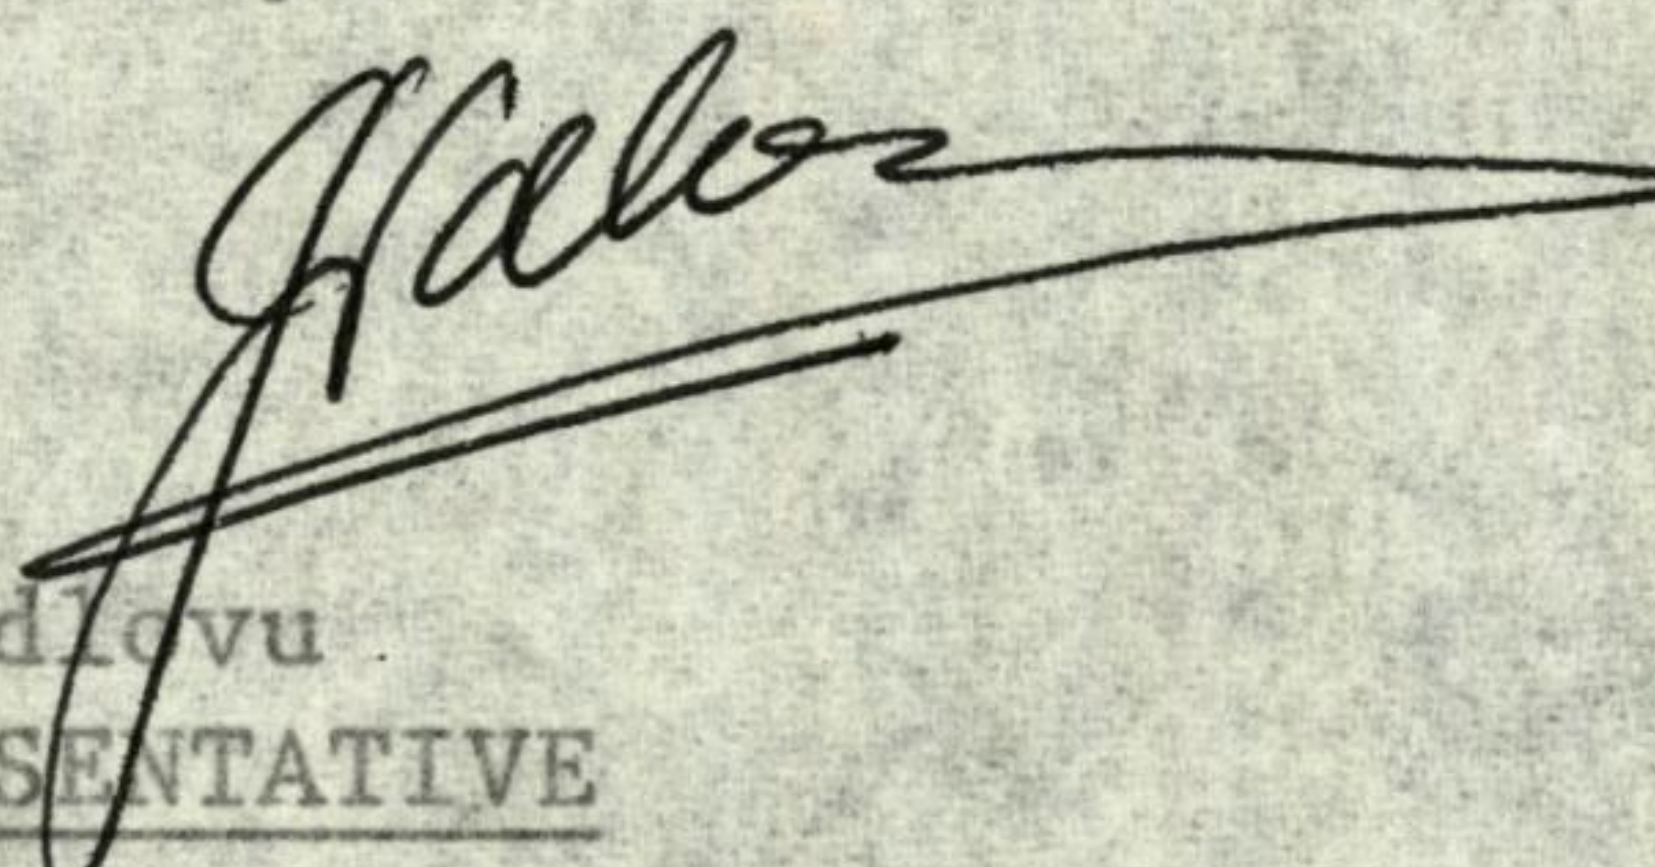

This is to certify that the above named person is a bonafide member of the African National Congress of South Africa.

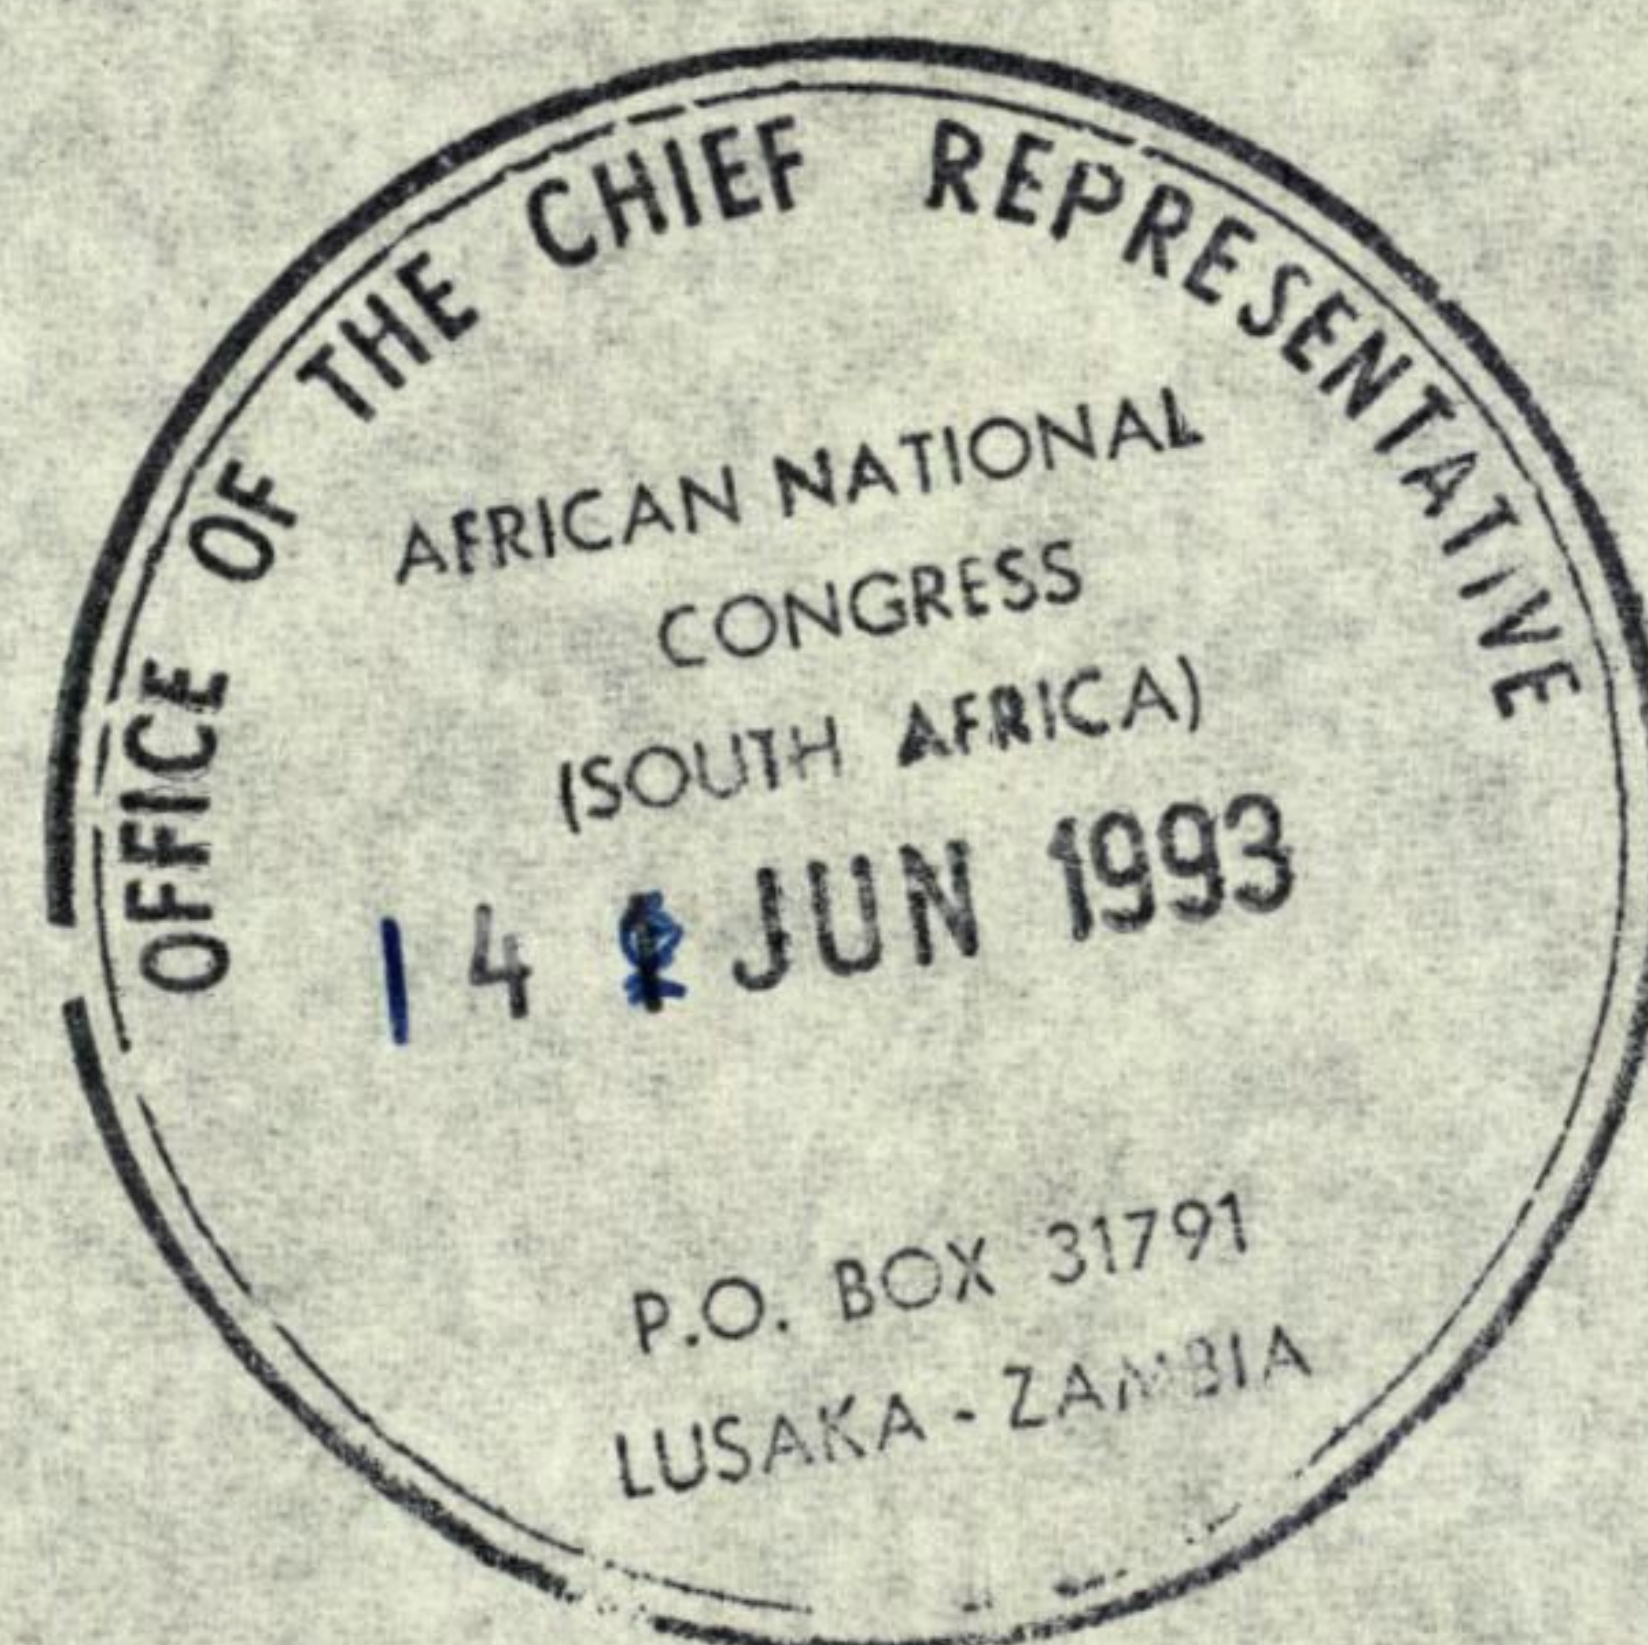

He is currently a student at Zambia Institute of Management, sponsored by World University Services. As explained in a letter herein attached, he is to undertake a study tour to Zimbabwe in July 1993.

However, he does not have a passport or a travelling document as he has not repatriated yet.

We therefore request your good office to kindly assist in issuing him a UNHCR travel document to enable him to undertake this tour.

Yours faithfully

Dear Dr Phiri

Re: Assistance with study tour for Mr Jimmy Motsonyane

We would like to express our condolences to Mrs Muuba over the death of her husband and brother.

We would like to start preparing for the above student's tour but we need clarification on the following issues:

- 1) What are the exact dates of this tour of study in the country?
- 2) What is the name of the person you are dealing with at CIT(Zimbabwe)
- 3) The University of Zimbabwe will be opening for the 2nd term at the end of this month and we are quite sure he will not be accommodated on campus. We might be forced to find room for him in one of the cheapest hotels in town or alternatively get him to stay with a South African student here. Please let us know your input on this.
- 4) How is he going to be allowed into the country? Is it going to be temporary study permit or what?
- 5) Where is Zimbabwe going to get reimbursement? Is it from Zambia or Geneva? We need also confirmation on this.

As Mrs Manwa will be out of the country from this week-end to mid July, could you send all correspondences direct to the Counsellor/Administrator so that we can always receive your mail on time.

Thank you and God bless

Flora Vengesa
