Dear Mr. President:

Thanks for your letter of May 28, 1990, granting me

permission to include your letter to King, dated November 18, 1957, in my Toward the Beloved Community: Martin Luther King, Jr. and South African Apartheid. I am very grateful for your letter of permission, and I will see that you get a copy of the volume when it appears in published form.

By the way, I wrote you and your wife at the same time because I needed permission from her to include her letter to Dr. King, dated May 17, 1962. I heard from you but not from her. She should have a copy of the letter in question, because I included it in the letter I wrote her early last year. Could you help me secure a letter of permission from Mrs Adelaide Tambo? I would deeply appreciate your help concerning this matter.

This is all for now. Please know that our minds and hearts are with you and all South Africans who struggle for a more peaceful, just, and inclusive society.

I am,

Associate Professor
