Dear Mr. Burstmayr,

KFS FUNDS FOR BATLAGAE TRUST

I make reference to your letter dated 28/10/92, the contents of which have been carefully noted.

With regard to the Batlagae Trust, I had a consultation with Mr. Tikly who informed me that the amount of R528,250-38 had so far been spent from the KFS allocation of R750,000-00. As yet, the Batlagae Trust had not deducted administration costs (communications, bank charges, etc). The Trust requests the use of the balance for ongoing and new bursaries for 1993.

KFS instalment of R250,000 and the restrictions on the use of the KFS fund, the Batlagae Trust was not able to utilise all the funds according to the NCCR-KFS-Batlagae Trust Agreement.

The NCCR has so far had 2 progress reports on the KFS grant and a general half-yearly report from the Batlagae Trust and we are satisfied with the Trust's administrative performance and capacity. During 1992 the Trust has gained valuable experience and will be in a position to implement smoothly the bursary programme for 1993. In NCCR'S view, it will help if the balance of the KFS fund is released for continuity and the early implementation of the 1993 bursary programme. According to Mr. Tikly payments to institutions have to commence in December. Therefore, the balance of the KFS fund will be utilised by the end of this year.

I should also point out that the UNHCR will not renew its grant for education in 1993. Thus, the Batlagae Trust's bursary programme will have a shortfall and it will therefore help if the KFS balance can be utilised for 1993.

I wish to thank KFS for its committed support and cooperation during 1992.

With regards,

Yours sincerely
