Dear Elsa,

I was delighted to be given a copy of the FUBA Artists Calender
by Herman van Niekerk.

It is a wonderful way of popularising art and recording works
that we otherwise would not have seen. I am both pleased and
humbled at the inclusion of artists of great talent who I did not
include when I researched the â\200\230Neglected Traditionâ\200\231.

What delight to see the range of expression in the works of
Tladi, Lekgetho, Kgasi - all images that I have not seen before.

Reading through the list of artists names I wondered what
criteria you used in compiling the list.

I hope that you are well,

Yours sincerely,

Siena â\200\224-e
