Treasurer-General

ANC Headquarters

Johannesburg

Dear Comrade Nkobi.

Further to our earlier consultation I am writing to let YOU know that the NPA have now decided that I should prepare a report for them regarding future assistance for South Africa.

The terms of reference, as outlined by the NPA, are enclosed and I have been asked to carry them out "in consultation with 53C, the NPA resident representative in South Africa,; QEInger Heldali the NPA resident representative in Zimbabwe,k Laila Nikolaisen and others that may be relevant for the completion of the study."

The study will have to be Completed, at the latest, by 17 November, and it will be submitted simultaneously to the ANC 1 and to the NPA.

In order to carry out this study I will need extensive practical and other assistance and co-opetation from the ANC, both in terms of arranging meetings and obtaining written background information. As you see the terms of the study are very wide and the time available very short. It will therefore be necessary for me to obtain as much written material as possible from all the relevant organisations and sources as well as from the ANC as soon as possible after my arrival. I would appreciate your kind assistance in &g;_. obtaining this material - also from other organisations which are relevant to the various subjects mentioned in the enclosed terms of study.

At the very outset I will need a general briefing meeting with you and other ANC colleagues followed by meetings with n various ANC departments/sections, both to receive general b//H briefing on the political situation as well as concerning specific projects.

Although most of the meetings with the ANC and representatives of other organisations will be in Johannesburg I will need to travel to Cape Town and Durban as well as one other region such as the Transkei. All the meetings and visits will need to be completed in 12-14 days with the final meeting with the ANC to take place on 12 November in Johannesburg.

-2-

My actual date of arrival is still uncertain but the main meetings with ANC and other organisations can be arranged to begin on Monday, 2 November. It will of course be necessary to meet with a wide range of other non-governmental organisations and I will welcome the guidance and assistance of the ANC in this regard as well, taking into account the areas stipulated in the enclosed terms of reference and practical arrangements.

With best wishes.

Yours sincerely,

M5 -

Abdul S. Minty
